## Section 1 – Registrant’s Business and Operations

### Item 1.01 Entry Into A Material Definitive Agreement.

On June 24, 2016, 2050 Motors Inc. (the “Company”) entered into an Equity Purchase Agreement (the “Agreement”) with Southridge Partners II LP (the “Investor”), pursuant to which the Company has the right to sell up to \$10,000,000 of the Company’s common stock, subject to conditions the Company must satisfy as set forth in the Agreement, including the effectiveness of a registration statement on Form S-1 with the Securities and Exchange Commission (the “SEC”). Following effectiveness of our registration statement with the SEC, we can deliver a put under the Agreement by selling shares of our common stock to Southridge and Southridge will be obligated to purchase the shares.

We do not have the right to commence any sales to the Investor under the Agreement until the SEC has declared effective the registration statement. Thereafter, we may, from time to time and at our sole discretion, direct the Investor to purchase shares of our common stock. The purchase price per share will be equal to 88% of the lowest closing price of the common stock for the ten trading days immediately following the date in which we deposit the shares to be purchased by the Investor into its brokerage account. In consideration for entering into the Agreement, we issued to the Investor a Promissory Note in the principal amount of \$75,000, which is payable with interest at 10% on June 24, 2017.

For each share of common stock purchased under the Agreement, the Investor will pay 88% of the lowest closing bid price on the Company’s principal market for the shares of common stock at such time as quoted by Bloomberg Finance L.P. for any of the 10 trading days immediately following the Company’s delivery of the shares of the Company’s common stock to the Investor’s brokerage account pursuant to the Company’s corresponding put notice to the Investor. In no event, however, shall the number of shares of common stock issuable to the Investor pursuant to a put notice cause the aggregate number of shares of common stock beneficially owned by the Investor and its affiliates to exceed 9.99% of the Company’s outstanding common stock at the time.

The shares of common stock to be issued to the Investor under the Agreement will be issued pursuant to an exemption from registration under the Securities Act of 1933, as amended (the “ Securities Act “), pursuant to Section 4(a)(2) thereof and Rule 506 of Regulation D promulgated thereunder. The Investor represented to the Company that it is a “sophisticated investor” as defined in Rule 506(b)(2)(ii) under the Securities Act and an “accredited investor” as defined in Rule 501(a) under the Securities Act.

As a condition precedent to the Company’s right to deliver a put notice, the shares of common stock offered and sold under the Agreement must be registered for resale. The Company has entered into a registration rights agreement (the “Registration Rights Agreement”) with the Investor, pursuant to which the Company has an obligation to file a registration statement with the SEC covering the resale by the Investor of any shares to be issued to the Investor under the Agreement.

The Company’s right to deliver a put notice and the obligations of the Investor with respect to a put is subject to the Company’s satisfaction of a number of conditions, including, but not limited to:

- That the Company’s common stock is trading on its principal market;
- The Company shall not have been notified of any pending or threatened proceedings or other action to suspend the trading of the Company’s common stock;
- That a registration statement relating to the resale of the shares sold to the Investor is effective.

Unless earlier terminated in accordance with its terms, the Agreement shall terminate on the earlier of: (i) twenty four months from the date of an effective registration statement; or (ii) the date on which the Investor shall have purchased an aggregate of \$10,000,000 of the Company’s common stock pursuant to the Agreement.

The preceding description of the Agreement and Registration Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the Agreement, which is filed as Exhibit 10.1 to this report and incorporated herein by reference, and the Registration Rights Agreement, which is filed as Exhibit 10.2 to this report and the Promissory Note which is filed as exhibit 10.3 to this report, all of such Exhibits are incorporated herein by reference.

### Section 3 – Securities and Trading Markets

#### Item 3.02 Unregistered Sales of Equity Securities.

The information set forth in Item 1.01 hereof is hereby incorporated by reference into this Item 3.02. The sale of securities pursuant to the Equity Purchase Agreement will be exempt from registration pursuant to the provisions of Section 4(a)(2) of the Securities Act and Rule 506 of Regulation D promulgated thereunder. Each of the Investors represented to the Company that it (i) is an “accredited investor” as defined in Rule 501(a) of Regulation D promulgated under the Securities Act, (ii) is knowledgeable, sophisticated and experienced in making investment decisions of this kind, and (iii) has had adequate access to information about the Company.

ARTICLE II  
PURCHASE AND SALE OF COMMON STOCK

Section 2.1 INVESTMENTS.

(a) PUTS. Upon the terms and conditions set forth herein (including, without limitation, the provisions of Article VII), on any Put Date the Company may exercise a Put by the delivery of a Put Notice. The number of Put Shares that Investor shall purchase pursuant to such Put shall be determined by dividing the Investment Amount specified in the Put Notice by the Purchase Price with respect to such Put Notice.

(b) PROMISSORY NOTE. As a condition for the execution of this Agreement by the Investor, the Company shall issue to the Investor a 10% promissory note in the principal amount equal to \$75,000.00 (the "Note") on the Subscription Date. The Note shall have no registration rights.

Section 2.2 MECHANICS.

(a) PUT NOTICE. At any time and from time to time during the Commitment Period, the Company may deliver a Put Notice to Investor, subject to the conditions set forth in Section 7.2; provided, however, that the Investment Amount identified in the applicable Put Notice, when taken together with all prior Put Notices, shall not exceed the Maximum Commitment Amount. On the Put Date the Company shall deliver to Investor's brokerage account estimated put shares equal to the Investment Amount indicated in the Put Notice divided by the Closing Price on the Trading Day immediately preceding the Put Date, multiplied by one hundred twenty five percent (125%) (the "Estimated Put Shares"). On the Trading Date immediately following delivery of the Estimated Put Shares, Investor shall deliver payment by check or wire transfer to the Company an amount equal to the par value of the Estimated Put Shares ("Par Value Payment").

(b) DATE OF DELIVERY OF PUT NOTICE. A Put Notice shall be deemed delivered on (i) the Trading Day it is received by facsimile or otherwise by Investor if such notice is received on or prior to 12:00 noon New York time, or (ii) the immediately succeeding Trading Day if it is received by facsimile or otherwise after 12:00 noon New York time on a Trading Day or at any time on a day which is not a Trading Day.

(c) FLOOR PRICE. In the event that, during a Valuation Period, the Closing Price on any Trading Day is less than seventy five percent (75%) of the average of the closing bid prices for the ten (10) trading days immediately preceding the date of the Company's Put Notice (a "Low Price"), for each such Trading Day, the parties shall have no right to sell and shall be under no obligation to purchase one tenth (1/10th) of the Investment Amount specified in the Put Notice, and the Investment Amount shall accordingly be deemed reduced by such amount. In the event that during a Valuation Period there exists a Low Price for any three (3) Trading Days—not necessarily consecutive—then the balance of each party's right and obligation to sell and purchase the Investment Amount under such Put Notice shall terminate on such third Trading Day ("Termination Day"), and the Investment Amount shall be adjusted to include only one-tenth (1/10<sup>th</sup>) of the initial Investment Amount for each Trading Day during the Valuation Period prior to the Termination Day that the Closing Price equals or exceeds the Low Price.

Section 2.3 CLOSINGS. At the end of the Valuation Period the Purchase Price shall be established and the number of Put Shares shall be determined for a particular Put. If the number of Estimated Put Shares initially delivered to Investor is greater than the Put Shares purchased by Investor pursuant to such Put, then immediately after the Valuation Period the Investor shall deliver to Company any excess Estimated Put Shares associated with such Put. If the number of Estimated Put Shares delivered to Investor is less than the Put Shares purchased by Investor pursuant to a Put, then immediately after the Valuation Period the Company shall deliver to Investor the difference between the Estimated Put Shares and the Put Shares issuable pursuant to such Put. The Closing of a Put shall occur upon the first Trading Day following the completion of the Valuation Period, whereby Investor shall deliver the Investment Amount specified in the Put Notice, less the Par Value Payment, by wire transfer of immediately available funds to an account designated by the Company. In lieu of delivering physical certificates representing the Common Stock issuable in accordance with clause (a) of this Section 2.3, and provided that the Transfer Agent then is participating in the Depository Trust Company ("DTC") Fast Automated Securities Transfer ("FAST") program, upon request of Investor, but subject to the applicable provisions of Article VIII hereof, the Company shall use its commercially reasonable efforts to cause the Transfer Agent to electronically transmit, prior to the applicable Closing Date, the applicable Put Shares by crediting the account of the Investor's prime broker with DTC through its Deposit Withdrawal Agent Commission ("DWAC") system, and provide proof satisfactory to the Investor of such delivery. In addition, on or prior to such Closing Date, each of the Company and Investor shall deliver to each other all documents, instruments and writings required to be delivered or reasonably requested by either of them pursuant to this Agreement in order to implement and effect the transactions contemplated herein.

The Put Shares shall not subject Investor to personal liability, in excess of the subscription price by reason of the ownership thereof.

Section 4.7 NO CONFLICTS. The execution, delivery and performance of this Agreement by the Company and the consummation by the Company of the transactions contemplated hereby, including without limitation the issuance of the Put Shares, do not and will not (a) result in a violation of the Company's Articles of Incorporation or By-Laws or (b) conflict with, or constitute a material default (or an event that with notice or lapse of time or both would become a material default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any material agreement, indenture, instrument or any "lock-up" or similar provision of any underwriting or similar agreement to which the Company is a party, or (c) result in a violation of any federal, state or local law, rule, regulation, order, judgment or decree (including federal and state securities laws and regulations) applicable to the Company or by which any property or asset of the Company is bound or affected (except for such conflicts, defaults, terminations, amendments, accelerations, cancellations and violations as would not, individually or in the aggregate, have a Material Adverse Effect) nor is the Company otherwise in violation of, conflict with or in default under any of the foregoing. The business of the Company is not being conducted in violation of any law, ordinance or regulation of any governmental entity, except for possible violations that either singly or in the aggregate do not and will not have a Material Adverse Effect. The Company is not required under federal, state or local law, rule or regulation to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency in order for it to execute, deliver or perform any of its obligations under this Agreement or issue and sell the Common Stock in accordance with the terms hereof (other than any SEC, FINRA or state securities filings that may be required to be made by the Company subsequent to any Closing, any registration statement that may be filed pursuant hereto); provided that, for purposes of the representation made in this sentence, the Company is assuming and relying upon the accuracy of the relevant representations and agreements of Investor herein.

Section 4.8 NO MATERIAL ADVERSE CHANGE. Since \_\_\_\_\_ no event has occurred that would have a Material Adverse Effect on the Company.

Section 4.9 LITIGATION AND OTHER PROCEEDINGS. Except as disclosed in the Company's SEC filings, there are no lawsuits or proceedings pending or to the knowledge of the Company threatened, against the Company, nor has the Company received any written or oral notice of any such action, suit, proceeding or investigation, which would have a Material Adverse Effect. No judgment, order, writ, injunction or decree or award has been issued by or, so far as is known by the Company, requested of any court, arbitrator or governmental agency which would have a Material Adverse Effect.

Section 4.10 DILUTION, The number of shares of Common Stock issuable as Put Shares may increase substantially in certain circumstances, including, but not necessarily limited to, the circumstance wherein the trading price of the Common Stock declines during the period between the Effective Date and the end of the Commitment Period. The Company's executive officers and directors have studied and fully understand the nature of the transactions contemplated by this Agreement and recognize that they have a potential dilutive effect. The board of directors of the Company has concluded in its good faith business judgment that such issuance is in the best interests of the Company. The Company specifically acknowledges that, subject to Section 2.2(c), its obligation to issue the Put Shares is binding upon the Company and enforceable regardless of the dilution such issuance may have on the ownership interests of other shareholders of the Company.

#### ARTICLE V COVENANTS OF INVESTOR

Section 5.3 COMPLIANCE WITH LAW; TRADING IN SECURITIES. Investor's trading activities with respect to shares of the Common Stock will be in compliance with all applicable state and federal securities laws, rules and regulations and the rules and regulations of FINRA and the Principal Market on which the Common Stock is listed or quoted.

Section 5.2 SHORT SALES AND CONFIDENTIALITY. Neither Investor nor any affiliate of the Investor acting on its behalf or pursuant to any understanding with it will execute any Short Sales during the period from the date hereof to the end of the Commitment Period. For the purposes hereof, and in accordance with Regulation SHO, the sale after delivery of a Put Notice of such number of shares of Common Stock reasonably expected to be purchased under a Put Notice shall not be deemed a Short Sale.

Other than to other Persons party to this Agreement, Investor has maintained the confidentiality of all disclosures made to it in connection with this transaction (including the existence and terms of this transaction).

ARTICLE VI  
COVENANTS OF THE COMPANY

Section 6.1 RESERVATION OF COMMON STOCK. The Company will, from time to time as needed in advance of a Closing Date, reserve and keep available until the consummation of such Closing, free of preemptive rights sufficient shares of Common Stock for the purpose of enabling the Company to satisfy its obligation to issue the Put Shares to be issued in connection therewith. The number of shares so reserved from time to time, as theretofore increased or reduced as hereinafter provided, may be reduced by the number of shares actually delivered hereunder.

Section 6.2 LISTING OF COMMON STOCK. If the Company applies to have the Common Stock traded on any other Principal Market, it shall include in such application the Put Shares, and shall take such other action as is necessary or desirable in the reasonable opinion of Investor to cause the Common Stock to be listed on such other Principal Market as promptly as possible. The Company shall use its commercially reasonable efforts to continue the listing and trading of the Common Stock on the Principal Market (including, without limitation, maintaining sufficient net tangible assets) and will comply in all respects with the Company's reporting, filing and other obligations under the bylaws or rules of the FINRA and the Principal Market.

Section 6.3 CERTAIN AGREEMENTS. So long as this Agreement remains in effect, the Company covenants and agrees that it will not, without the prior written consent of the Investor, enter into any other equity line of credit agreement with a third party during the Commitment Period having terms and conditions substantially comparable to this Agreement. For the avoidance of doubt, nothing contained in the Transaction Documents shall restrict, or require the Investor's consent for, any agreement providing for the issuance or distribution of (or the issuance or distribution of) any equity securities pursuant to any agreement or arrangement that is not commonly understood to be an "equity line of credit."

ARTICLE VII  
CONDITIONS TO DELIVERY OF  
PUT NOTICES AND CONDITIONS TO CLOSING

Section 7.1 CONDITIONS PRECEDENT TO THE OBLIGATION OF THE COMPANY TO ISSUE AND SELL COMMON STOCK. The obligation hereunder of the Company to issue and sell the Put Shares to Investor is subject to the satisfaction of each of the conditions set forth below.

(a) ACCURACY OF INVESTOR'S REPRESENTATIONS AND WARRANTIES. The representations and warranties of Investor shall be true and correct in all material respects as of the date of this Agreement and as of the date of each such Closing as though made at each such time.

(b) PERFORMANCE BY INVESTOR. Investor shall have performed, satisfied and complied in all respects with all covenants, agreements and conditions required by this Agreement to be performed, satisfied or complied with by investor at or prior to such Closing.

(c) PRINCIPAL MARKET REGULATION. The Company shall not issue any Put Shares, and the Investor shall not have the right to receive any Put Shares, if the issuance of such shares would exceed the aggregate number of shares of Common Stock which the Company may issue without breaching the Company's obligations under the rules or regulations of the Principal Market (the "EXCHANGE CAP").

Section 7.2 CONDITIONS PRECEDENT TO THE RIGHT OF THE COMPANY TO DELIVER A PUT NOTICE AND THE OBLIGATION OF INVESTOR TO PURCHASE PUT SHARES. The right of the Company to deliver a Put Notice and the obligation of Investor hereunder to acquire and pay for the Put Shares is subject to the satisfaction of each of the following conditions:

(a) EFFECTIVE REGISTRATION STATEMENT. The Registration Statement, and any amendment or supplement thereto, shall remain effective for the sale by Investor of the Registered Securities subject to such Put Notice, and (i) neither the Company nor Investor shall have received notice that the SEC has issued or intends to issue a stop order with respect to such Registration Statement or that the SEC otherwise has suspended or withdrawn the effectiveness of such Registration Statement, either temporarily or permanently, or intends or has threatened to do so and (ii) no other suspension of the use or withdrawal of the effectiveness of such Registration Statement or related prospectus shall exist.

(b) ACCURACY OF THE COMPANY'S REPRESENTATIONS AND WARRANTIES. The representations and warranties of the Company shall be true and correct in all material respects (except for representations and warranties specifically made as of a particular date), except for any conditions which have temporarily caused any representations or warranties herein to be incorrect and which have been corrected with no continuing impairment to the Company or Investor.

(c) PERFORMANCE BY THE COMPANY. The Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Agreement to be performed, satisfied or complied with by the Company.

(d) NO INJUNCTION. No statute, rule, regulation, executive order, decree, ruling or injunction shall have been enacted, entered, promulgated or adopted by any court or governmental authority of competent jurisdiction that prohibits or directly and materially adversely affects any of the transactions contemplated by this Agreement, and no proceeding shall have been commenced that may have the effect of prohibiting or materially adversely affecting any of the transactions contemplated by this Agreement.

(e) ADVERSE CHANGES. Since the date of filing of the Company's most recent SEC Document, no event that had or is reasonably likely to have a Material Adverse Effect has occurred.

(f) NO SUSPENSION OF TRADING IN OR DELISTING OF COMMON STOCK. The trading of the Common Stock shall not have been suspended by the SEC, the Principal Market or the FINRA and the Common Stock shall have been approved for listing or quotation on and shall not have been delisted from the Principal Market.

(g) [INTENTIONALLY OMITTED]

(h) TEN PERCENT LIMITATION. On each Closing Date, the number of Put Shares then to be purchased by Investor shall not exceed the number of such shares that, when aggregated with all other shares of Common Stock then owned by Investor beneficially or deemed beneficially owned by Investor, would result in Investor owning more than 9.99% of all of such Common Stock as would be outstanding on such Closing Date, as determined in accordance with Section 16 of the Exchange Act and the regulations promulgated thereunder. For purposes of this Section, in the event that the amount of Common Stock outstanding as determined in accordance with Section 16 of the Exchange Act and the regulations promulgated thereunder is greater on a Closing Date than on the date upon which the Put Notice associated with such Closing Date is given, the amount of Common Stock outstanding on such Closing Date shall govern for purposes of determining whether Investor, when aggregating all purchases of Common Stock made pursuant to this Agreement, would own more than 9.99% of the Common Stock following such Closing Date.

(i) Principal Market Regulation. The Company shall not issue any Put Shares, and the Investor shall not have the right to receive any Put Shares, if the issuance of such shares would exceed the Exchange Cap.

(j) NO KNOWLEDGE. The Company shall have no knowledge of any event more likely than not to have the effect of causing such Registration Statement to be suspended or otherwise ineffective (which event is more likely than not to occur within the fifteen (15) Trading Days following the Trading Day on which such Put Notice is deemed delivered).

(k) NO VIOLATION OF SHAREHOLDER APPROVAL REQUIREMENT. The issuance of shares of Common Stock with respect to the applicable Closing, if any, shall not violate the shareholder approval requirements of the Principal Market.

(l) NO VALUATION EVENT. No Valuation Event shall have occurred since the Put Date.

(m) OTHER. On the date of delivery of each Put Notice, Investor shall have received a certificate in substantially the form and substance of Exhibit B hereto, executed by an executive officer of the Company and to the effect that all the conditions to such Closing shall have been satisfied as at the date of each such certificate.

ARTICLE VIII  
LEGENDS

Section 8.1 NO STOCK LEGEND OR STOCK TRANSFER RESTRICTIONS. No legend shall be placed on the share certificates representing the Put Shares.

Section 8.2 INVESTOR'S COMPLIANCE. Nothing in this Article VIII shall affect in any way Investor's obligations under any agreement to comply with all applicable securities laws upon the sale of the Common Stock.

ARTICLE IX

Section 9.2 INDEMNIFICATION. Each party (an "Indemnifying Party") agrees to indemnify and hold harmless the other party along with its officers, directors, employees, and authorized agents, and each Person or entity, if any, who controls such party within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (an "Indemnified Party") from and against any Damages, joint or several, and any action in respect thereof to which the Indemnified Party becomes subject to, resulting from, arising out of or relating to (i) any misrepresentation, breach of warranty or nonfulfillment of or failure to perform any covenant or agreement on the part of Indemnifying Party contained in this Agreement, (ii) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any post-effective amendment thereof or supplement thereto, or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading, (iii) any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus or contained in the final prospectus (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the SEC) or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in the light of the circumstances under which the statements therein were made, not misleading, or (iv) any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any state securities law or any rule or regulation under the Securities Act, the Exchange Act or any state securities law, as such Damages are incurred, except to the extent such Damages result primarily from Indemnified Party's failure to perform any covenant or agreement contained in this Agreement or Indemnified Party's negligence, recklessness or bad faith in performing its obligations under this Agreement; provided, however, that the foregoing indemnity agreement shall not apply to any Damages of an Indemnified Party to the extent, but only to the extent, arising out of or based upon any untrue statement or alleged untrue statement or omission or alleged omission made by an Indemnifying Party in reliance upon and in conformity with written information furnished to the Indemnifying Party by the Indemnified Party expressly for use in the Registration Statement, any post-effective amendment thereof or supplement thereto, or any preliminary prospectus or final prospectus (as amended or supplemented).

Section 9.3 METHOD OF ASSERTING INDEMNIFICATION CLAIMS. All claims for indemnification by any Indemnified Party (as defined below) under Section 9.2 shall be asserted and resolved as follows:

(a) In the event any claim or demand in respect of which an Indemnified Party might seek indemnity under Section 9.2 is asserted against or sought to be collected from such Indemnified Party by a person other than a party hereto or an affiliate thereof (a "THIRD PARTY CLAIM"), the Indemnified Party shall deliver a written notification, enclosing a copy of all papers served, if any, and specifying the nature of and basis for such Third Party Claim and for the Indemnified Party's claim for indemnification that is being asserted under any provision of Section 9.2 against an Indemnifying Party, together with the amount or, if not then reasonably ascertainable, the estimated amount, determined in good faith, of such Third Party Claim (a "CLAIM NOTICE") with reasonable promptness to the Indemnifying Party. If the Indemnified Party fails to provide the Claim Notice with reasonable promptness after the Indemnified Party receives notice of such Third Party Claim, the Indemnifying Party shall not be obligated to indemnify the Indemnified Party with respect to such Third Party Claim to the extent that the Indemnifying Party's ability to defend has been prejudiced by such failure of the Indemnified Party. The Indemnifying Party shall notify the Indemnified Party as soon as practicable within the period ending thirty (30) calendar days following receipt by the Indemnifying Party of either a Claim Notice or an Indemnity Notice (as defined below) (the "DISPUTE PERIOD") whether the Indemnifying Party disputes its liability or the amount of its liability to the Indemnified Party under Section 9.2 and whether the Indemnifying Party desires, at its sole cost and expense, to defend the Indemnified Party against such Third Party Claim.

(i) If the Indemnifying Party notifies the Indemnified Party within the Dispute Period that the Indemnifying Party desires to defend the Indemnified Party with respect to the Third Party Claim pursuant to this Section 9.3(a), then the Indemnifying Party shall have the right to defend, with counsel reasonably satisfactory to the Indemnified Party, at the sole cost and expense of the Indemnifying Party, such Third Party Claim by all appropriate proceedings, which proceedings shall be vigorously and diligently prosecuted by the Indemnifying Party to a final conclusion or will be settled at the discretion of the Indemnifying Party (but only with the consent of the Indemnified Party in the case of any settlement that provides for any relief other than the payment of monetary damages or that provides for the payment of monetary damages as to which the Indemnified Party shall not be indemnified in full pursuant to Section 9.2). The Indemnifying Party shall have full control of such defense and proceedings, including any compromise or settlement thereof; provided, however, that the Indemnified Party may, at the sole cost and expense of the Indemnified Party, at any time prior to the Indemnifying Party's delivery of the notice referred to in the first sentence of this clause (i), file any motion, answer or other pleadings or take any other action that the Indemnified Party reasonably believes to be necessary or appropriate to protect its interests; and provided further, that if requested by the Indemnifying Party, the Indemnified Party will, at the sole cost and expense of the Indemnifying Party, provide reasonable cooperation to the Indemnifying Party in contesting any Third Party Claim that the Indemnifying Party elects to contest. The Indemnified Party may participate in, but not control, any defense or settlement of any Third Party Claim controlled by the Indemnifying Party pursuant to this clause (i), and except as provided in the preceding sentence, the Indemnified Party shall bear its own costs and expenses with respect to such participation. Notwithstanding the foregoing, the Indemnified Party may takeover the control of the defense or settlement of a Third Party Claim at any time if it irrevocably waives its right to indemnity under Section 9.2 with respect to such Third Party Claim.

(ii) If the Indemnifying Party fails to notify the Indemnified Party within the Dispute Period that the Indemnifying Party desires to defend the Third Party Claim pursuant to Section 9.3(a), or if the Indemnifying Party gives such notice but fails to prosecute vigorously and diligently or settle the Third Party Claim, or if the Indemnifying Party fails to give any notice whatsoever within the Dispute Period, then the Indemnified Party shall have the right to defend, at the sole cost and expense of the Indemnifying Party, the Third Party Claim by all appropriate proceedings, which proceedings shall be prosecuted by the Indemnified Party in a reasonable manner and in good faith or will be settled at the discretion of the Indemnified Party with the consent of the Indemnifying Party, which consent will not be unreasonably withheld. The Indemnified Party will have full control of such defense and proceedings, including any compromise or settlement thereof; provided, however, that if requested by the Indemnified Party, the Indemnifying Party will, at the sole cost and expense of the Indemnifying Party, provide reasonable cooperation to the Indemnified Party and its counsel in contesting any Third Party Claim which the Indemnified Party is contesting. Notwithstanding the foregoing provisions of this clause (ii), if the Indemnifying Party has notified the Indemnified Party within the Dispute Period that the Indemnifying Party disputes its liability or the amount of its liability hereunder to the Indemnified Party with respect to such Third Party Claim and if such dispute is resolved in favor of the Indemnifying Party in the manner provided in clause (iii) below, the Indemnifying Party will not be required to bear the costs and expenses of the Indemnified Party's defense pursuant to this clause (ii) or of the Indemnifying Party's participation therein at the Indemnified Party's request, and the Indemnified Party shall reimburse the Indemnifying Party in full for all reasonable costs and expenses incurred by the Indemnifying Party in connection with such litigation. The Indemnifying Party may participate in, but not control, any defense or settlement controlled by the Indemnified Party pursuant to this clause (ii), and the Indemnifying Party shall bear its own costs and expenses with respect to such participation.

(iii) If the Indemnifying Party notifies the Indemnified Party that it does not dispute its liability or the amount of its liability to the Indemnified Party with respect to the Third Party Claim under Section 9.2 or fails to notify the Indemnified Party within the Dispute Period whether the Indemnifying Party disputes its liability or the amount of its liability to the Indemnified Party with respect to such Third Party Claim, the amount of Damages specified in the Claim Notice shall be conclusively deemed a liability of the Indemnifying Party under Section 9.2 and the Indemnifying Party shall pay the amount of such Damages to the Indemnified Party on demand. If the Indemnifying Party has timely disputed its liability or the amount of its liability with respect to such claim, the Indemnifying Party and the Indemnified Party shall proceed in good faith to negotiate a resolution of such dispute; provided, however, that if the dispute is not resolved within thirty (30) days after the Claim Notice, the Indemnifying Party shall be entitled to institute such legal action as it deems appropriate.

(b) In the event any Indemnified Party should have a claim under Section 9.2 against the Indemnifying Party that does not involve a Third Party Claim, the Indemnified Party shall deliver a written notification of a claim for indemnity under Section 9.2 specifying the nature of and basis for such claim, together with the amount or, if not then reasonably ascertainable, the estimated amount, determined in good faith, of such claim (an "INDEMNITY NOTICE") with reasonable promptness to the Indemnifying Party. The failure by any Indemnified Party to give the Indemnity Notice shall not impair such party's rights hereunder except to the extent that the Indemnifying Party demonstrates that it has been irreparably prejudiced thereby. If the Indemnifying Party notifies the Indemnified Party that it does not dispute the claim or the amount of the claim described in such Indemnity Notice or fails to notify the Indemnified Party within the Dispute Period whether the Indemnifying Party disputes the claim or the amount of the claim described in such Indemnity Notice, the amount of Damages specified in the Indemnity Notice will be conclusively deemed a liability of the Indemnifying Party under Section 9.2 and the Indemnifying Party shall pay the amount of such Damages to the Indemnified Party on demand. If the Indemnifying Party has timely disputed its liability or the amount of its liability with respect to such claim, the Indemnifying Party and the Indemnified Party shall proceed in good faith to negotiate a resolution of such dispute; provided, however, that if the dispute is not resolved within thirty (30) days after the Claim Notice, the Indemnifying Party shall be entitled to institute such legal action as it deems appropriate.

(c) The Indemnifying Party agrees to pay the Indemnified Party, promptly as such expenses are incurred and are due and payable, for any reasonable legal fees or other reasonable expenses incurred by them in connection with investigating or defending any such Claim.

(d) The indemnity provisions contained herein shall be in addition to (i) any cause of action or similar rights of the Indemnified Party against the Indemnifying Party or others, and (ii) any liabilities the Indemnifying Party may be subject to.

ARTICLE X  
MISCELLANEOUS

Section 10.1 GOVERNING LAW; JURISDICTION. This Agreement shall be governed by and interpreted in accordance with the laws of the State of New York without regard to the principles of conflicts of law. Each of the Company and Investor hereby submit to the exclusive jurisdiction of the United States Federal and state courts located in New York County, New York with respect to any dispute arising under this Agreement, the agreements entered into in connection herewith or the transactions contemplated hereby or thereby.

Section 10.2 JURY TRIAL WAIVER. The Company and the Investor hereby waive a trial by jury in any action, proceeding or counterclaim brought by either of the parties hereto against the other in respect of any matter arising out of or in connection with the Transaction Documents.

Section 10.3 ASSIGNMENT. This Agreement shall be binding upon and inure to the benefit of the Company and Investor and their respective successors. Neither this Agreement nor any rights of Investor or the Company hereunder may be assigned by either party to any other person.

Section 10.4 THIRD PARTY BENEFICIARIES. This Agreement is intended for the benefit of the Company and Investor and their respective successors, and is not for the benefit of, nor may any provision hereof be enforced by, any other person.

Section 10.5 TERMINATION. The Company may terminate this Agreement at any time by written notice to the Investor. Additionally, this Agreement shall terminate at the end of Commitment Period or as otherwise provided herein; provided, however, that the provisions of Articles IX, and Sections 10.1 and 10.2 shall survive the termination of this Agreement for a period of twenty four (24) months.

Section 10.6 ENTIRE AGREEMENT, AMENDMENT; NO WAIVER. This Agreement and the instruments referenced herein contain the entire understanding of the Company and Investor with respect to the matters covered herein and therein and, except as specifically set forth herein or therein, neither the Company nor Investor makes any representation, warranty, covenant or undertaking with respect to such matters. This Agreement may not be amended.

Section 10.7 FEES AND EXPENSES. The Company agrees to pay its own expenses in connection with the preparation of this Agreement and performance of its obligations hereunder. The Company shall pay all stamp or other similar taxes and duties levied in connection with issuance of the Put Shares pursuant hereto.

Section 10.8 COUNTERPARTS. This Agreement may be executed in multiple counterparts, each of which may be executed by less than all of the parties and shall be deemed to be an original instrument which shall be enforceable against the parties actually executing such counterparts and all of which together shall constitute one and the same instrument. This Agreement may be delivered to the other parties hereto by facsimile transmission or email of a copy of this Agreement bearing the signature of the parties so delivering this Agreement.

Section 10.9 SEVERABILITY. In the event that any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Agreement shall continue in full force and *effect without said provision; provided that such severability shall be ineffective if it materially* changes the economic benefit of this Agreement to any party.

Section 10.10 FURTHER ASSURANCES. Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents, as the other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

Section 10.11 NO STRICT CONSTRUCTION. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.

Section 10.12 EQUITABLE RELIEF. The Company recognizes that in the event that it fails to perform, observe, or discharge any or all of its obligations under this Agreement, any remedy at law may prove to be inadequate relief to Investor. The Company therefore agrees that Investor shall be entitled to temporary and permanent injunctive relief in any such case without the necessity of proving actual damages.

Section 10.13 TITLE AND SUBTITLES. The titles and subtitles used in this Agreement are used for the convenience of reference and are not to be considered in construing or interpreting this Agreement.

Section 10.14 REPORTING ENTITY FOR THE COMMON STOCK. The reporting entity relied upon for the determination of the Closing Price for the Common Stock on any given Trading Day for the purposes of this Agreement shall be Bloomberg Finance L.P. or any successor thereto. The written mutual consent of Investor and the Company shall be required to employ any other reporting entity.

Section 10.15 PUBLICITY. The Company and Investor shall consult with each other in issuing any press releases or otherwise making public statements with respect to the transactions contemplated hereby and no party shall issue any such press release or otherwise make any such public *statement without the* prior written consent of the other parties, which consent shall not be unreasonably withheld or delayed, except that no prior consent shall be required if such disclosure is required by law, in which such case the disclosing party shall provide the other parties with prior notice of such public statement. Notwithstanding the foregoing, the Company shall not publicly disclose the name of Investor without the prior written consent of such Investor, except to the extent required by law. Investor acknowledges that this Agreement and all or part of the Transaction Documents may be deemed to be “material contracts” as that term is defined by Item 601 (b) (10) of Regulation S-K, and that the Company may therefore be required to file such documents as exhibits to reports or registration statements filed under the Securities Act or the Exchange Act. Investor further agrees that the status of such documents and materials as material contracts shall be determined solely by the Company, in consultation with its counsel.

(a) Prepare promptly and file with the SEC within one hundred twenty (120) days after the date hereof, a Registration Statement with respect to not less than the maximum allowable under Rule 415 of Registered Securities, and thereafter use all commercially reasonable efforts to cause such Registration Statement relating to the Registered Securities to become effective within five (5) business days after notice from the Securities and Exchange Commission that such Registration Statement may be declared effective, and keep the Registration Statement effective at all times prior to the termination of the Purchase Agreement until the earliest of (i) the date that is three months after the completion of the last Closing Date under the Purchase Agreement, (ii) the date when the Investor may sell all Registered Securities under Rule 144 without volume limitations, or (iii) the date the Investor no longer owns any of the Registered Securities (collectively, the “Registration Period”), which Registration Statement (including any amendments or supplements, thereto and prospectuses contained therein) shall not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(b) Prepare and file with the SEC such amendments (including post-effective amendments) and supplements to the Registration Statement and the prospectus used in connection with the Registration Statement as may be necessary to keep the Registration Statement effective at all times during the Registration Period, and to comply with the provisions of the Securities Act with respect to the disposition of all Registered Securities of the Company covered by the Registration Statement until the expiration of the Registration Period.

(c) With respect to the Registered Securities, permit counsel designated by Investor to review the Registration Statement and all amendments and supplements thereto a reasonable period of time (but not less than two (2) business days) prior to their filing with the SEC, and not file any document in a form to which such counsel reasonably objects.

(d) As promptly as practicable after becoming aware of the following facts, the Company shall notify Investor and Investor's legal counsel identified to the Company and (if requested by any such person) confirm such notice in writing no later than one (1) business day thereafter (i): (A) when a prospectus or any prospectus supplement or post-effective amendment to the Registration Statement is filed; (B) with respect to the Registration Statement or any post-effective amendment, when the same has become effective; (ii) of the issuance by the SEC of any stop order suspending the effectiveness of the Registration Statement covering any or all of the Registered Securities or the initiation of any proceedings for that purpose; and (iii) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registered Securities for sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose.

(e) Unless available to the Investor without charge through EDGAR, the SEC's website or the Company's website, furnish to Investor, promptly after the same is prepared and publicly distributed, filed with the SEC, or received by the Company, one (1) copy of the Registration Statement, each preliminary prospectus and the prospectus, and each amendment or supplement thereto;

(f) Use all commercially reasonable efforts to (i) register and/or qualify the Registered Securities covered by the Registration Statement under such other securities or blue sky laws of such jurisdictions as the Investor may reasonably request and in which significant volumes of shares of Common Stock are traded, (ii) prepare and file in those jurisdictions such amendments (including post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof at all times during the Registration Period, (iii) take such other actions as may be necessary to maintain such registrations and qualification in effect at all times during the Registration Period, and (iv) take all other actions reasonably necessary or advisable to qualify the Registered Securities for sale in such jurisdictions: provided, however, that the Company shall not be required in connection therewith or as a condition thereto to (A) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 3(f), (B) subject itself to general taxation in any such jurisdiction, (C) file a general consent to service of process in any such jurisdiction, (D) provide any undertakings that cause more than nominal expense or burden to the Company or (E) make any change in its charter or by-laws or any then existing contracts, which in each case the Board of Directors of the Company determines to be contrary to the best interests of the Company and its stockholders;

(g) As promptly as practicable after becoming aware of such event, notify the Investor of the happening of any event of which the Company has knowledge, as a result of which the prospectus included in the Registration Statement, as then in effect, includes any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading (“Registration Default”), and promptly prepare a supplement or amendment to the Registration Statement or other appropriate filing with the SEC to correct such untrue statement or omission, and take any other commercially reasonable steps to cure the Registration Default, and, unless available to the Investor without charge through EDGAR, the SEC’s website or the Company’s website, deliver a number of copies of such supplement or amendment to the Investor as the Investor may reasonably request.

(j) Provide a transfer agent for the Registered Securities not later than the Subscription Date under the Purchase Agreement;

(k) Cooperate with the Investor to facilitate the timely preparation and delivery of certificates for the Registered Securities to be offered pursuant to the Registration Statement and enable such certificates for the Registered Securities to be in such denominations or amounts as the case may be, as the Investor may reasonably request and registration in such names as the Investor may request; and, within five (5) business days after a Registration Statement which includes Registered Securities is ordered effective by the SEC, the Company shall deliver, and shall cause legal counsel selected by the Company to deliver, to the transfer agent for the Registered Securities (with copies to the Investor) an appropriate instruction and opinion of such counsel, if so required by the Company’s transfer agent; and

(l) Take all other commercially reasonable actions necessary to expedite and facilitate distribution to the Investor of the Registered Securities pursuant to the Registration Statement.

**4. Obligations of the Investor.** In connection with the registration of the Registered Securities, the Investor shall have the following obligations;

(a) It shall be a condition precedent to the obligations of the Company to complete the registration pursuant to this Agreement with respect to the Registered Securities of the Investor that the Investor shall timely furnish to the Company such information regarding itself, the Registered Securities held by it, and the intended method of disposition of the Registered Securities held by it, as shall be reasonably required to effect the registration of such Registered Securities and shall timely execute such documents in connection with such registration as the Company may reasonably request.

(b) The Investor by such Investor's acceptance of the Registered Securities agrees to cooperate with the Company as reasonably requested by the Company in connection with the preparation and filing of the Registration Statement hereunder; and

(c) The Investor agrees that, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 3(d)(ii) or (iii) or 3(g) above, the Investor will immediately discontinue disposition of Registered Securities pursuant to the Registration Statement covering such Registered Securities until the Investor receives the copies of the supplemented or amended prospectus contemplated by Section 3(d)(ii) or (iii) or 3(g) and, if so directed by the Company, the Investor shall deliver to the Company (at the expense of the Company) or destroy (and deliver to the Company a certificate of destruction) all copies in the Investor's possession, of the prospectus covering such Registered Securities current at the time of receipt of such notice.

**5. Expenses of Registration.** All reasonable expenses incurred in connection with registrations, filings or qualifications pursuant to Section 3, including, without limitation, all registration, listing, and qualifications fees, printers and accounting fees, the fees and disbursements of counsel for the Company shall be borne by the Company.

**6. Indemnification.** After Registered Securities are included in a Registration Statement under this Agreement:

(a) To the extent permitted by law, the Company will indemnify and hold harmless, the Investor, the directors, if any, of such Investor, the officers, if any, of such Investor, each person, if any, who controls the Investor within the meaning of the Securities Act or the Exchange Act (each, an "Indemnified Person"), against any losses, claims, damages, liabilities or expenses (joint or several) incurred (collectively, "Claims") to which any of them may become subject under the Securities Act, the Exchange Act or otherwise, insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any post-effective amendment thereof or the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) any untrue statement or alleged untrue statement of a material fact contained in any preliminary prospectus or contained in the final prospectus (as amended or supplemented, if the Company files any amendment thereof or supplement thereto with the SEC) or the omission or alleged omission to state therein any material fact necessary to make the statements made therein, in the light of the circumstances under which the statements therein were made, not misleading or (iii) any violation or alleged violation by the Company of the Securities Act, the Exchange Act, any state securities law or any rule or regulation under the Securities Act, the Exchange Act or any state securities law (the matters in the foregoing clauses (i) through (iii) being collectively referred to as "Violations"). Subject to Section 6(b) hereof, the Company shall reimburse the Investor, promptly as such expenses are incurred and are due and payable, for any reasonable legal fees or other reasonable expenses incurred by them in connection with investigating or defending any such Claim. Notwithstanding anything to the contrary contained herein, the indemnification agreement contained in this Section 6(a) shall not (i) apply to any Claims arising out of or based upon a Violation which occurs in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Indemnified Person expressly for use in connection with the preparation of the Registration Statement or any such amendment thereof or supplement thereto, if such prospectus was timely made available by the Company pursuant to Section 3(b) hereof; (ii) with respect to any preliminary prospectus, inure to the benefit of any such person from whom the person asserting any such Claim purchased the Registered Securities that are the subject thereof (or to the benefit of any person controlling such person) if the untrue statement or omission of material fact contained in the preliminary prospectus was corrected in the prospectus, as then amended or supplemented, if such prospectus was timely made available by the Company pursuant to Section 3(b) hereof; (iii) be available to the extent such Claim is based on a failure of the Investor to deliver or cause to be delivered the prospectus made available by the Company; or (iv) apply to amounts paid in settlement of any Claim if such settlement is effected without the prior written consent of the Company, which consent shall not be unreasonably withheld. The Investor will indemnify the Company, its officers, directors and agents (including legal counsel) against any claims arising out of or based upon a Violation which occurs in reliance upon and in conformity with information furnished in writing to the Company, by or on behalf of the Investor, expressly for use in connection with the preparation of the Registration Statement, subject to such limitations and conditions set forth in the previous sentence.

(b) Promptly after receipt by an Indemnified Person under this Section 6 of notice of the commencement of any action (including any governmental action), such Indemnified Person shall, if a Claim in respect thereof is to be made against any indemnifying party under this Section 6, deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually satisfactory to the indemnifying party and the Indemnified Person, as the case may be; provided, however, that an Indemnified Person shall have the right to retain its own counsel with the reasonable fees and expenses to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Indemnified Person and the indemnifying party would be inappropriate due to actual or potential differing interests between such Indemnified Person and any other party represented by such counsel in such proceeding. In such event, the Company shall pay for only one separate legal counsel for the Investor selected by the Investor. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action shall not relieve such indemnifying party of any liability to the Indemnified Person under this Section 6, except to the extent that the indemnifying party is prejudiced in its ability to defend such action. The indemnification required by this Section 6 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as such expense, loss, damage or liability is incurred and is due and payable.

**7. Contribution.** To the extent any indemnification by an indemnifying party is prohibited or limited by law, the indemnifying party agrees to make the maximum contribution with respect to any amounts for which it would otherwise be liable under Section 6 to the fullest extent permitted by law; provided, however, that (a) no contribution shall be made under circumstances where the maker would not have been liable for indemnification under the fault standards set forth in Section 6; (b) no seller of Registered Securities guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any seller of Registered Securities who was not guilty of such fraudulent misrepresentation; and (c) contribution by any seller of Registered Securities shall be limited in amount to the net amount of proceeds received by such seller from the sale of such Registered Securities.

**8. Reports under Exchange Act.** With a view to making available to the Investor the benefits of Rule 144 promulgated under the Securities Act or any other similar rule or regulation of the SEC that may at any time permit the Investor to sell securities of the Company to the public without registration (“Rule 144”), the Company agrees to use its commercially reasonable efforts to:

(a) make and keep public information available, as those terms are understood and defined in Rule 144;

(b) file with the SEC in a timely manner all reports and other documents required of the Company under the Securities Act for so long as the Company remains subject to such requirements, and the filing of such reports is required for sales under Rule 144;

(c) furnish to the Investor so long as the Investor owns Registered Securities, promptly upon request, (i) a written statement by the Company that it has complied with the reporting requirements of Rule 144, the Securities Act and the Exchange Act, (ii) unless available to the Investor without charge through EDGAR, the SEC’s website or the Company’s website, a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company, and (iii) such other information as may be reasonably requested to permit the Investors to sell such securities pursuant to Rule 144 without registration; and

(d) at the request of any Investor of Registered Securities, give its Transfer Agent instructions (supported by an opinion of Company counsel, if required or requested by the Transfer Agent) to the effect that, upon the Transfer Agent's receipt from such Investor of:

(i) a certificate (a "Rule 144 Certificate") certifying (A) that such Investor has held the shares of Registered Securities which the Investor proposes to sell (the "Securities Being Sold") for a period of not less than (6) months and (B) as to such other matters as may be appropriate in accordance with Rule 144 under the Securities Act, and

(ii) an opinion of counsel acceptable to the Company (for which purposes it is agreed that the initial Investor's counsel shall be deemed acceptable if such opinion is not given by Company counsel) that, based on the Rule 144 Certificate, Securities Being Sold may be sold pursuant to the provisions of Rule 144, even in the absence of an effective Registration Statement,

the Transfer Agent is to effect the transfer of the Securities Being Sold and issue to the buyer(s) or transferee(s) thereof one or more stock certificates representing the transferred Securities Being Sold without any restrictive legend and without recording any restrictions on the transferability of such shares on the Transfer Agent's books and records (except to the extent any such legend or restriction results from facts other than the identity of the Investor, as the seller or transferor thereof, or the status, including any relevant legends or restrictions, of the shares of the Securities Being Sold while held by the Investor). If the Transfer Agent requires any additional documentation at the time of the transfer, the Company shall deliver or cause to be delivered all such reasonable additional documentation as may be necessary to effectuate the issuance of an unlegended certificate.

THIS Note is a duly authorized issuance of **2050 MOTORS, INC.**, a Delaware corporation (the "Company") designated as its June 2016 Note.

FOR VALUE RECEIVED, the Company promises to pay to **SOUTHRIDGE ADVISORS II LLC**, the registered holder hereof (the "Holder"), the principal sum of Seventy Five Thousand and 00/100 Dollars (US \$75,000.00), plus accrued interest in the amount of ten percent (10%) per annum on all outstanding principal on June 24, 2017 (the "Maturity Date"). The Company will pay the outstanding principal amount of this Note, plus accrued interest, in cash on the Maturity Date to the registered holder of this Note. The wire transfer of such amount shall constitute a payment hereunder and shall satisfy and discharge the liability for principal on this Note to the extent of the sum represented by wire transfer plus any amounts so deducted.

This Note is subject to the following additional provisions:

1. [RESERVED]
2. This Note may be transferred or exchanged only in compliance with the Securities Act of 1933, as amended (the "Act"), and other applicable state and foreign securities laws.

4. Presentment. Except as set forth herein, the Company waives presentment, demand and presentation for payment, notice of nonpayment and dishonor, protest and notice of protest and expressly agrees that this Note or any payment hereunder may be extended from time to time by the Holder without in any way affecting the liability of the Company.

If, from any circumstances whatsoever, the fulfillment of any provision of this Note or any other agreement or instrument now or hereafter evidencing, securing or in any way relating to the indebtedness evidenced hereby shall involve the payment of interest in excess of the Maximum Rate, then, ipso facto, the obligation to pay interest hereunder shall be reduced to the Maximum Rate; and if from any circumstance whatsoever, Holder shall ever receive interest, the amount of which would exceed the amount collectible at the Maximum Rate, such amount as would be excessive interest shall be applied to the reduction of the principal balance remaining unpaid hereunder and not to the payment of interest. 6. This Note shall be governed by and construed in accordance with the laws of the State of New York. Each of the parties consents to the jurisdiction of the federal courts whose districts encompass any part of the City of New York or the state courts of the State of New York sitting in the City of New York in connection with any dispute arising under this Note and hereby waives, to the maximum extent permitted by law, any objection, including any objection based on *forum non conveniens*, to the bringing of any such proceeding in such jurisdictions. 7. The following shall constitute an "Event of Default":

- a. The Company shall default in the payment of principal and interest on this Note and same shall continue for a period of five (5) days; or
- b. Any of the representations or warranties made by the Company herein, in any certificate or financial or other written statements heretofore or hereafter furnished by the Company in connection with the execution and delivery of this Note shall be false or misleading in any material respect at the time made; or

- d. A trustee, liquidator or receiver shall be appointed for the Company or for a substantial part of its property or business without its consent and shall not be discharged within sixty (60) days after such appointment; or
  - e. Any governmental agency or any court of competent jurisdiction at the instance of any governmental agency shall assume custody or control of the whole or any substantial portion of the properties or assets of the Company and shall not be dismissed within sixty (60) days thereafter; or
  - f.   - h.

Then, or at any time thereafter, and in each and every such case, unless such Event of Default shall have been waived in writing by the Holder (which waiver shall not be deemed to be a waiver of any subsequent default) at the option of the Holder and in the Holder's sole discretion, the Holder may consider all obligations under this Note immediately due and payable within five (5) days of notice, without presentment, demand, protest or notice of any kinds, all of which are hereby expressly waived, anything herein or in any note or other instruments contained to the contrary notwithstanding, and the Holder may immediately enforce any and all of the Holder's rights and remedies provided herein or any other rights or remedies afforded by law.

Collection. In the event this Note is placed by Holder in the hands of an attorney for collection, or if Holder incurs any costs incident to the collection of the indebtedness evidenced hereby, the Company agrees to pay to Holder an amount equal to all such costs, including without limitation all reasonable attorneys' fees and all court costs.

## 2050 Motors Secures 10 Million Dollar Equity Purchase Agreement For Auto Assembly Plant

LAS VEGAS, NEVADA, June 29, 2016 (GLOBE NEWSWIRE) — Michael Hu, President of 2050 Motors, Inc. (US OTCQB: ETFM), announced that 2050 Motors has secured a \$10 million equity purchase agreement specifically to construct a carbon fiber electric car assembly facility in Las Vegas. After negotiations with Southridge Partners II, LP, the parties have agreed to a final contract to secure the \$10 million equity purchase agreement.

The Southridge Partners II, LP is a Delaware limited partnership located in Connecticut with strong ties to Wall Street. Southridge (<http://www.southridge.com/>) is a diversified financial holding company specializing in direct investment and advisory services to small and middle market companies. Since 1996 the structured finance team has made direct investments of over \$1.8 billion into over 250 growth public companies globally.

Mr. Hu also stated, “2050 Motors has been negotiating with the City of Las Vegas to establish its carbon fiber electric automobile assembly plant and we believe the negotiations are very close to culmination. The City of Las Vegas and the State of Nevada have multifaceted incentive programs to help 2050 Motors bring high paying jobs to the city. Nevada’s incentive programs include training of the workforce, multi-year reduced taxes, various financial assistance packages, non-profit programs and a catalyst fund among other programs.”

Furthermore, 2050 Motors executives have also been negotiating with the Las Vegas Global Economic Alliance (LVGEA) (<https://www.lvgea.org/>), which has agreed to work closely with our company in setting up a foreign trade zone. LVGEA is a 501(c)6 membership organization that, since 1952, has helped attract, retain and expand companies including Levi Strauss & Co., Bank of America, Zappos and SolarCity to the Las Vegas area.

LVGEA has offered assistance to 2050 Motors to establish a foreign trade zone for the assembly facility which will be a great advantage for the company’s automobile assembly business plan. LVGEA is the grantee for Foreign Trade Zone 89, a program that allows firms to bring foreign goods or raw materials for manufacturing and/or assembling into the United States without formal customs entry or payment of customs duties and government excise taxes until products leave the zone. Furthermore, this type of zoning has many facets that can reduce the cost of assembling our electric vehicles in the United States. In fact, these collective savings can pay for the majority of the labor required to assemble these vehicles in the United States.

We anticipate that in the near future we will finalize the agreement for building our Las Vegas facility with the City of Las Vegas and move forward on this valuable program. This will allow the creation of many high paying jobs and bring to the United States an advanced technology that enables 2050 Motors to assemble carbon fiber vehicles at very low cost. The carbon fiber parts are manufactured in China and shipped to the United States. The carbon fiber advanced process developed by Italian and Chinese engineers makes auto body parts stronger, lighter and less expensive to produce. Carbon fiber is five times stronger than steel and one third the weight of steel. This makes 2050 Motors’ electric vehicles well over one thousand pounds lighter than any other EV on the market today. Carbon fiber provides the basis for making 2050 Motors’ electric vehicles the safest and most efficient ever produced for the mass consumer market.

## About 2050 Motors, Inc.

2050 Motors, Inc. ( <http://www.2050motors.com> and <http://www.etfm.com> ), is a publicly traded company incorporated in Nevada in 2012. 2050 Motors was founded to develop and produce the next generation of clean, lightweight, efficient vehicles and its associated technologies. Some of these technologies include alternative renewable fuels, hybrid electric vehicles, advanced graphene lithium batteries and carbon fiber low cost vehicles. 2050 Motors has been successful in forming long term relationships and exclusive contracts for a variety of game changing technologies. 2050 Motors entered into an agreement with Jiangsu Aoxin New Energy Automobile Co., Ltd., located in Jiangsu, China, for the distribution in the United States of a new electric automobile, known as the e-Go EV (electric vehicle). The e-Go EV is a revolutionary new concept in the ever evolving world of electric vehicles. It will be the only production line electric car with a carbon fiber body and parts manufactured by a new process using robotic machines which significantly reduces the fabrication time and cost of carbon fiber components. The e-Go EV will seat four passengers, have a long battery life, and high energy efficiency rating up to 150+ MPG-E energy equivalent in urban driving due to the light weight of the vehicle. The five passenger carbon fiber luxury sedan Ibis EV, the e-Go's big brother, will also be showcased along with the e-Go EV for future sales in the United States.
