The Company's principal executive offices are located at 60 Cutter Mill Road, Suite 205, Great Neck, New York 11021.

The proxy materials for the Annual Meeting, including the Annual Report and the Proxy Statement are also available at
<http://www.manhattanbridgecapital.com/meeting-2011.html>

THE VOTING AND VOTE REQUIRED

On the record date for the meeting, which was the close of business on July 25, 2011, there were outstanding 3,324,459 shares (not including 80,731 shares held in treasury) of common stock of the Company (the "Common Stock"), each of which will be entitled to one vote.

The presence, in person or by proxy, of holders of Common Stock having a majority of the votes entitled to be cast at the meeting shall constitute a quorum. Directors are elected by a plurality of the votes cast at the meeting, provided a quorum is present in person or by proxy. Approval of the amendment of the Company's 2009 Stock Option Plan, the grant of 1,000,000 restricted shares of Common Stock to Assaf Ran, our president and chief executive officer and the ratification of the appointment of Hoberman, Miller, Goldstein & Lesser, P.C. as independent auditors for the fiscal year ending December 31, 2011 require the vote of a majority of the shares voting at the meeting and entitled to vote on this matter, provided a quorum is present in person or by proxy.

All shares represented by valid proxies will be voted in accordance with the instructions contained therein. In the absence of instructions, proxies will be voted FOR each of the stated matters being voted on at the meeting. A proxy may be revoked by the stockholder giving the proxy at any time before it is voted, by written notice addressed to and received by the Secretary of the Company or Secretary of the meeting, and a prior proxy is automatically revoked by a stockholder giving a subsequent proxy or attending and voting at the meeting. Attendance at the meeting, however, in and of itself does not revoke a prior proxy. In the case of the election of directors, shares represented by a proxy which are marked "WITHHOLD AUTHORITY" to vote for all six nominees will not be counted in determining whether a plurality vote has been received for the election of directors. Shares represented by proxies that are marked "ABSTAIN" on any other proposal will not be counted in determining whether the requisite vote has been received for such proposal. In instances where brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned proxies ("broker non-votes"), those shares will not be included in the vote totals and, therefore, will have no effect on the outcome of the vote.

This proxy statement together with the related proxy card and our Annual Report for the year ended December 31, 2010, including financial statements, will be mailed on or about August 5, 2011.

Proposal No. 1

We have posted the Code of Ethics on our Web site, which is located at www.manhattanbridgecapital.com. In addition, we intend to post on our Web site all disclosures that are required by law or NASDAQ stock market listing standards concerning any amendments to, or waivers from, any provision of our Code of Ethics.

Board and Committees

The Board has a standing Audit Committee, Compensation Committee and Nominating Committee. The Board held three meetings during fiscal year 2010. During fiscal year 2010, our Audit Committee held four meetings, our Compensation Committee held one meeting and our Nominating Committee did not meet. Our Audit Committee is comprised of Messrs. Michael J. Jackson, Phillip Michals, Eran Goldshmid and Lyron Bentovim. Each of our Compensation Committee and Nominating Committee is comprised of Messrs. Michael J. Jackson, Phillip Michals and Eran Goldshmid. Current copies of each committee's charter are posted on our web site at www.manhattanbridgecapital.com.

All directors attended or participated in at least 75% of the aggregate number of meetings of the Board and of the Board's committees on which each applicable director served.

It is the Company's policy that directors are invited and encouraged to attend the Annual Meeting. All of our then current directors attended the 2010 Annual Meeting.

Determination of Independence

The Board has determined, in accordance with Nasdaq's listing standards, that: (i) Messrs. Jackson, Michals, Goldschmid and Bentovim (the "Independent Directors") are independent and represent a majority of its members; (ii) Messrs. Jackson, Michals, Goldschmid and Bentovim, as the sole members of the Audit Committee, are independent for such purposes; and (iii) Messrs. Jackson, Michals and Goldschmid, as the sole members of the Compensation Committee, are independent for such purposes. In determining director independence, our Board applies the independence standards set by Nasdaq. In its application of such standards the Board takes into consideration all transactions with Independent Directors and the impact of such transactions, if any, on any of the Independent Directors' ability to continue to serve on our Board. To that end, for the fiscal year ended December 31, 2010, our Board considered the compensation paid to the Independent Directors and determined that those transactions were within the limits of the independence standards set by Nasdaq and did not impact their ability to continue to serve as Independent Directors.

Compensation Committee

The purpose of our Compensation Committee is to discharge the responsibilities of our Board relating to compensation of our executive officers. The specific responsibilities of our Compensation Committee include:

- establishing and periodically reviewing our compensation philosophy and the adequacy of compensation plans and programs for our executive officers and other employees;
- establishing compensation arrangements and incentive goals for our executive officers and administering compensation plans;
- reviewing the performance of our executive officers and awarding incentive compensation and adjusting compensation arrangements as appropriate based upon performance; and
- reviewing and monitoring our management development and succession plans and activities.

The Compensation Committee is comprised entirely of directors who satisfy the standards of independence applicable to compensation committee members established under 162(m) of the Internal Revenue Code and Section 16(b) of the Securities Exchange Act of 1934, as amended.

Audit Committee

Our Audit Committee assists our Board in its oversight of our financial reporting and accounting processes. Management has the primary responsibility for the preparation of financial statements and the reporting processes, including the system of internal controls. Our independent registered public accountants are responsible for auditing our annual financial statements and issuing a report on the financial statements. In this context, the oversight function of our Audit Committee includes:

- a review of the audits of our financial statements, including the integrity of our financial statements;
- a review of our compliance with legal and regulatory requirements;
- a review of the performance of our independent registered public accountants, including the engagement of the independent registered public accountants and the monitoring of the independent registered public accountants' qualifications and independence;
- the preparation of the report required to be included in our annual proxy statement in accordance with Securities and Exchange Commission ("SEC") rules and regulations; and
- a review of the quarterly and annual reports filed with the SEC.

The Board has determined that Michael Jackson, the chairman of the Audit Committee, is qualified as an Audit Committee Financial Expert pursuant to Item 407(d)(5) of Regulations S-K. Each of the Audit Committee members is independent, as that term is defined in Section 10A(m)(3) of the Exchange Act, and their relevant experience is more fully described above.

Audit Committee Report

The Audit Committee oversees our financial reporting process on behalf of the Board. The Audit Committee consists of four members of the Board who meet the independence and experience requirements of NASDAQ and the SEC.

The Audit Committee retains our independent registered public accounting firm and approves in advance all permissible non-audit services performed by them and other auditing firms. Although management has the primary responsibility for the financial statements and the reporting process including the systems of internal control, the Audit Committee consults with management and our independent registered public accounting firm regarding the preparation of financial statements, the adoption and disclosure of our critical accounting estimates and generally oversees the relationship of the independent registered public accounting firm with our Company.

The Audit Committee reviewed our audited financial statements for the year ended December 31, 2010, and met with management to discuss such audited financial statements. The Audit Committee has discussed with our independent accountants, Hoberman, Miller, Goldstein & Lesser, P.C., the matters required to be discussed pursuant to Statement on Accounting Standards No. 61, as may be modified or supplemented. The Audit Committee has received the written disclosures and the letter from Hoberman, Miller, Goldstein & Lesser, P.C. required by the Independence Standards Board Standard No. 1, as may be modified or supplemented. The Audit Committee has discussed with Hoberman, Miller, Goldstein & Lesser, P.C. its independence from the Company and its management. Hoberman, Miller, Goldstein & Lesser, P.C. had full and free access to the Audit Committee. Based on its review and discussions, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2010, for filing with the SEC.

By the Audit Committee of the Board of Directors of Manhattan Bridge Capital, Inc.

Michael J. Jackson

Eran Goldshmid

Lyon Bentovim

The above Audit Committee report is not deemed to be "soliciting material," and is not "filed" with the SEC.

Nominating Committee

The Nominating Committee is responsible for nominating director candidates for the Annual Meeting of Stockholders each year and will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include the following information: (i) the name of the stockholder and evidence of the person's ownership of Company stock, (including the number of shares owned and the length of time of ownership); (ii) the name of the candidate; (iii) the candidate's resume or a listing of his or her qualifications to be a director of the Company; and (iv) the person's consent to be named as a director if selected by the Nominating Committee and nominated by the Board.

The information described above must be sent to the Company's Chief Financial Officer at 60 Cutter Mill Road, Great Neck, NY 11021, on a timely basis in order to be considered by the Nominating Committee, within the time periods set forth in the "Stockholder Proposals" section below.

The Nominating Committee believes that the minimum qualifications for service as a director are that a nominee possess an ability, as demonstrated by recognized success in his or her field, to make meaningful contributions to the Board's oversight of the business and affairs of the Company and an impeccable reputation of integrity and competence in his or her personal or professional activities. The Nominating Committee's evaluation of potential candidates shall be consistent with the Board's criteria for selecting new directors. Such criteria include an understanding of the Company's business environment and the possession of such knowledge, skills, expertise and diversity of experience so as to enhance the Board's ability to manage and direct the affairs and business of the Company, including when applicable, to enhance the ability of committees of the Board to fulfill their duties and/or satisfy any independence requirements imposed by law, regulation or listing requirements.

The Nominating Committee may also receive suggestions from current Company directors, executive officers or other sources, which may be either unsolicited or in response to requests from the Nominating Committee for such candidates. The Nominating Committee also, from time to time, may engage firms that specialize in identifying director candidates.

Once a person has been identified by the Nominating Committee as a potential candidate, the Nominating Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the Chairman or another member of the Nominating Committee may contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating Committee may request information from the candidate, review the person's accomplishments and qualifications and may conduct one or more interviews with the candidate. The Nominating Committee may consider all such information in light of information regarding any other candidates that the Nominating Committee might be evaluating for membership on the Board. In certain instances, Nominating Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Nominating Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

Communications with Directors

The Board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the Board, or the non-management directors as a group, any Board committee or any chair of any such committee by mail or electronically. To communicate with the Board, any individual director or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent to *c/o* Corporate Secretary, Manhattan Bridge Capital, Inc., 60 Cutter Mill Road, Great Neck, New York 11021.

All communications received as set forth in the preceding paragraph will be opened by the Secretary of the Company for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the Board will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the Company Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

On March 13, 2008 the compensation committee approved Mr. Ran’s reduction of his annual salary by 75% to \$56,000 for an additional one year or until the Company has more significant operations (as defined by the Committee). On March 18, 2009 the compensation committee approved Mr. Ran’s continuing the reduction of his annual salary to \$100,000 for one year or until the Company has more significant operations (as defined by the Committee). On June 21, 2010 the board restored Mr. Ran’s salary to the level of \$225,000 per year. Mr. Ran’s annual base compensation was \$167,000 and \$92,000 during the years 2010 and 2009, respectively, and a bonus of \$65,000 for each of the years 2010 and 2009, which was approved by the Compensation Committee of the Board of Directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company’s officers and directors, and persons who own more than 10% of a registered class of the Company’s equity securities to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent (10%) stockholders are required by SEC regulations to furnish the Company with copies of all Section 16 (a) forms they file.

To the best of the Company’s knowledge, based solely on review of the copies of such forms furnished to the Company, or written representations that no other forms were required, the Company believes that all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% stockholders were complied with during 2010.

Certain Relationships and Related Transactions

In April 2010, in connection with the closing of loan transaction to a third party by the Company, Mr. Ran our CEO loaned the Company \$150,000 bearing interest of 12% per annum, which was fully repaid to him within a week. During the year of 2010 interest expense on such loan was \$400.

Proposal No. 2

AMENDMENT OF THE COMPANY'S 2009 STOCK OPTION PLAN TO INCREASE THE NUMBER OF SHARES RESERVED UNDER THE PLAN.

The Board has determined that it is advisable to amend the 2009 Plan to increase the maximum number of authorized but unissued shares of Common Stock reserved for the grant of awards under the 2009 Plan from 350,000 to 400,000 shares. The securities underlying the options under the 2009 Plan are shares of Common Stock. As of July 25, 2011, 84,000 shares of Common Stock remained available for grant. If stockholder approval of this proposal to amend the 2009 Plan is obtained, the 2009 Plan will be amended to increase the number of shares of Common Stock reserved for issuance from 350,000 to 400,000 shares (the "Amendment"). The 2009 Plan, after giving effect to the amendment, is attached to this proxy statement as Appendix A.

The purpose of the 2009 Plan is to align the interests of officers, other key employees, consultants and non-employee directors of the Company and its subsidiaries with those of the stockholders of the Company, to afford an incentive to such officers, employees, consultants and directors to continue as such, to increase their efforts on behalf of the Company and to promote the success of the Company's business. The availability of additional shares will enhance the Company's ability to achieve these goals. The basis of participation in the 2009 Plan is upon discretionary grants of the Board.

Background and Reason for the Proposal

In order to continue our program of equity-based incentive compensation to attract and retain the personnel necessary for our success and to provide more flexibility to the Compensation Committee, our Board has approved the Amendment. The Board's reason for the Amendment is as follows:

- As of July 25, 2011, options covering 266,000 shares were issued and outstanding under the 2009 Plan at a weighted average exercise price of \$1.46 per share, leaving only 84,000 shares available for future grants. The market value of the shares underlying the outstanding options, based on a closing price of \$1.23 per share of Common Stock on July 25, 2011, is approximately \$327,180. Accordingly, the Board believes that the Amendment is necessary to provide us with enough shares to continue our program of equity-based incentive compensation.

The 2009 Plan was adopted in June 2009 to attract and retain the personnel necessary for our success. As amended, the 2009 Plan will authorize the grant of options covering up to 400,000 shares of Common Stock. The 2009 Plan is administered by the Compensation Committee of our Board. Except as may otherwise be provided in the 2009 Plan, the Compensation Committee has complete authority and discretion to determine the terms of awards.

Under the 2009 Plan we have the ability to provide incentives through grants of stock option awards to our key employees, consultants and directors (other than directors that are not compensated for their time by us or receive only a director's fee). As of July 25, 2011, the approximate number of employees who were eligible to participate in the 2009 Plan was two, the approximate number of non-employee Board members who will be eligible to participate in the 2009 Plan was five and we do not currently have any consultants that we are considering for participation in the 2009 Plan.

Our executive officers and other key employees held options under the 2009 Plan to purchase 210,000 shares of Common Stock all of which were held by Assaf Ran, our President and Chief Executive Officer. 70,000 of management's options have an exercise price of \$1.43 per share, and 140,000 of management's options have an exercise price of \$1.61 per share.

The shareholders approved the 2009 Plan in June 2009 for a total of 200,000 shares, representing approximately six percent of the total number of shares issued and outstanding. In June 2010, the shareholders approved an increase in the maximum number of authorized but unissued shares of Common Stock reserved for the grant of awards under the 2009 Plan from 200,000 to 350,000 shares. If an award expires or terminates unexercised or is forfeited to us, or shares covered by an award are used to fully or partially pay the exercise price of an option granted under the 2009 Plan or shares are retained by us to satisfy tax withholding obligations in connection with an option exercise or the vesting of another award, those shares will become available for further awards under the 2009 Plan.

The 2009 Plan authorizes the granting of options, including options that satisfy the requirements of Section 422 of the Internal Revenue Code of 1986, as amended. The Compensation Committee determines the period of time during which a stock option may be exercised, as well as any vesting schedule, except that no stock option may be exercised more than 10 years after its date of grant. The exercise price for shares of our Common Stock covered by an incentive stock option cannot be less than the fair market value of our common stock on the date of grant; provided that that exercise of an incentive stock option granted to an eligible employee that owns more than 10% of the voting power of all classes of our capital stock must be at least 110% of the fair market value of our Common Stock on the date of grant. The aggregate fair market value of shares subject to an incentive stock option exercisable for the first time by an option holder may not exceed \$100,000 in any calendar year.

The Board may terminate the Plan without shareholder approval or ratification at any time. Unless sooner terminated, the 2009 Plan will terminate in June, 2019. The Board may also further amend the Plan, provided that no amendment will be effective without approval of our shareholders if shareholder approval is required to satisfy any applicable statutory or regulatory requirements.

Federal Income Tax Consequences

The following brief summary of the effect of federal income taxation upon the recipients and us with respect to the shares under the Plan and does not purport to be complete.

Non-qualified Stock Options. The grant of non-qualified stock options will have no immediate tax consequences to us or the grantee. The exercise of a non-qualified stock option will require a grantee to include in his gross income the amount by which the fair market value of the acquired shares on the exercise date (or the date on which any substantial risk of forfeiture lapses) exceeds the option price. Upon a subsequent sale or taxable exchange of the shares acquired upon exercise of a non-qualified stock option, a grantee will recognize long or short-term capital gain or loss equal to the difference between the amount realized on the sale and the tax basis of such shares. We will be entitled (provided applicable withholding requirements are met) to a deduction for Federal income tax purposes at the same time and in the same amount as the grantee is in receipt of income in connection with the exercise of a non-qualified stock option.

Incentive Stock Options. The grant of an incentive stock option will have no immediate tax consequences to us or our employee. If the employee exercises an incentive stock option and does not dispose of the acquired shares within two years after the grant of the incentive stock option nor within one year after the date of the transfer of such shares to him (a “disqualifying disposition”), he will realize no compensation income and any gain or loss that he realizes on a subsequent disposition of such shares will be treated as a long-term capital gain or loss. For purposes of calculating the employee's alternative minimum taxable income, however, the option will be taxed as if it were a non-qualified stock option.

Incorporation by Reference

The foregoing is only a summary of the Plan and is qualified in its entirety by reference to its full text, a copy of which is attached hereto as Appendix A.

The Board recommends a vote “FOR” the 2009 Plan Amendment.

GRANT OF RESTRICTED SHARES

The Board has authorized, subject to shareholder approval, the grant 1,000,000 restricted shares of Common Stock (the “Restricted Shares”) to Assaf Ran, the Company’s President and Chief Executive Officer, pursuant to an agreement a copy of which is included in this proxy statement as Appendix B (the “Restricted Shares Agreement”). Under the terms of the Restricted Shares Agreement, Mr. Ran has agreed to the termination and cancellation of 210,000 options with exercise prices above \$1.50 per share that he currently holds and further agreed that he will not exercise an additional 280,000 options with exercise prices below \$1.50 per share. If Mr. Ran exercises any of 280,000 options that are not being terminated and cancelled, he will forfeit approximately 3.5 Restricted Shares for each such option exercised. Under the Restricted Shares Agreement Mr. Ran may not sell, convey, transfer, pledge, encumber or otherwise dispose of the Restricted Shares until the earliest to occur of the following: (i) June 30, 2026, with respect to 1/3 of the Restricted Shares, June 30, 2027 with respect to an additional 1/3 of the Restricted Shares and June 30, 2028 with respect to the final 1/3 of the Restricted Shares; (ii) the date on which Mr. Ran’s employment is terminated by the Company for any reason other than for “Cause” (i.e., misconduct that is materially injurious to the Company monetarily or otherwise, including engaging in any conduct that constitutes a felony under federal, state or local law); or (iii) the date on which Mr. Ran’s employment is terminated on account of (A) his death; (B) his disability, which, in the opinion of his personal physician and a physician selected by the Company, prevents him from being employed by the Company on a full-time basis (each such date being referred to as a “Risk Termination Date”). If at any time prior to a Risk Termination Date either the Company terminates Mr. Ran’s employment for Cause or Mr. Ran voluntarily terminates his employment with the Company for any reason other than death or disability, Mr. Ran will forfeit that portion of the Restricted Shares which have not previously vested. Mr. Ran will have the power to vote the Restricted Shares and will be entitled to all dividends payable with respect to the Restricted Shares from the date the Restricted Shares are issued.

Recommendation of the Board

The Board determined that the transactions contemplated by the Restricted Shares Agreement are in best interest of the Company and its shareholders and recommends that shareholders vote in favor of the proposal to approve and ratify the Restricted Shares Agreement.

Reasons for the Board’s Recommendation

The Board believes that securing Mr. Ran’s services for the long-term is crucial to the future success and growth of the Company. The Company has only two employees – Mr. Ran and Ms. Kao, the Chief Financial Officer. Mr. Ran is responsible for all of the Company’s day-to-day operations. He is solely responsible for developing and executing the Company’s business strategy.

The Board further believes that replacing Mr. Ran’s options with the Restricted Shares will more closely align Mr. Ran’s interest with those of the Company and its shareholders for the following reasons:

- The shares of Common Stock underlying the options are not subject to any restrictions. Mr. Ran could exercise the options and immediately sell those shares. The Restricted Shares cannot be sold, transferred, pledged, liened or disposed of in any way until they vest, which may not be for 15 years with respect to 1/3 of the shares, 16 years for an additional 1/3 of the shares and 17 years for the final 1/3 of the shares.
- Mr. Ran could exercise the options and then terminate his employment with the Company without forfeiting his shares. The Restricted Shares are tied to Mr. Ran’s continued employment with the Company. If he terminates his employment voluntary, he would forfeit the shares.

- Under the existing program of annual option grants to Mr. Ran, the Company incurred amortization charges of \$46,920 in 2010. Assuming the continuation of this program into the future and the trading of the Common Stock at an assumed price of \$1.50 per share, future amortization charges would range from \$68,044 in 2011 to \$122,136 in 2015 and thereafter. Under the proposed grant of Restricted Shares and related option forfeitures after first year amortization charges of \$67,155 annual amortization charges would substantially decline to \$26,097.
- Mr. Ran has no right to vote the shares underlying the options and no right to dividends with respect to those shares until he exercises the options. On the other hand, he has a right to vote the Restricted Shares immediately upon their grant giving him greater power in the election of directors and other matters submitted to shareholders which is expected to increase his willingness to personally guaranty borrowings by the Company. He also has the right to receive dividends on the Restricted Shares giving him a greater financial stake in the Company.
- The Board has been advised that the value of the Restricted Shares is approximately equal to the value of the options that are being cancelled and those which he has agreed that he will not exercise..

Accounting Treatment

The Board has been advised that there will be very little, if any, adverse impact on the Company's financial statements as a result of the implementation of the Restricted Shares Agreement. This is due to the fact that the grant of Restricted Shares will be amortized over 15 years and the Company will be able to reverse some of the non-cash compensation expense it recorded in connection with the grant of the options that are being cancelled.

Tax Treatment

From an income tax perspective, the grant of the Restricted Shares will not be a taxable event to Mr. Ran unless he elects otherwise because the Restricted Shares are "forfeitable" and subject to a "substantial risk of forfeiture" as defined in Section 83 of the Internal Revenue Code of 1986, as amended (the "Code"). When each 1/3 of the Restricted Shares vest, Mr. Ran will have compensation equal to the value of the Restricted Shares then vesting over the amount paid for such shares (which may or may not include the value of the options cancelled.) At that time, appropriate arrangements will have to be made to accommodate any withholding obligations the Company may have as a result of the vesting.

From the Company's perspective, the value of the Restricted Shares will be deductible for federal income tax purposes in the year in which they vest. However, the Company may not be able to deduct the full value of the Restricted Shares vesting in that year to the extent that Mr. Ran's total compensation from the Company for the year in which vesting occurs exceeds \$1 million unless the Restricted Shares vesting in that year are deemed to be "performance based" compensation under Section 162(m) of the Code and the regulations promulgated thereunder. While the vesting of the Restricted Shares is tied to Mr. Ran's continued employment with the Company, there are no specific financial or operational benchmarks or achievements associated with the vesting of the Restricted Shares and, therefore, the Restricted Shares may not qualify as "performance based" compensation. The Board considered the possibility of conditioning the vesting on specific benchmarks but decided it was inappropriate or unnecessary for the following reasons:

- The options that Mr. Ran currently holds are not tied to any performance criteria.
- Given Mr. Ran's equity stake in the Company, he has ample of incentive to grow the Company's business.

The Board recommends that shareholders vote "FOR" the proposal to adopt, approve and ratify the Restricted Share Agreement

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

Hoberman, Miller, Goldstein & Lesser, P.C. (“Hoberman”) has been our independent auditor since June 2007. Their audit report appears in our annual report for the fiscal year ended December 31, 2010. One or more representatives of Hoberman is expected to be at the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from our stockholders.

In the event the stockholders fail to ratify the appointment, the Audit Committee may reconsider its selection. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent auditing firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and our stockholders.

Independent Registered Public Accounting Firm Fees and Other Matters

On June 4, 2007, the Company’s Audit Committee engaged Hoberman, Miller, Goldstein & Lesser, P.C. as its independent registered public accounting firm to replace Amper Politzer and Mattia P.C. The Company had previously consulted Hoberman in the first quarter of fiscal 2007 with respect to the application of FIN 48:

Our Audit Committee approved the engagement with Hoberman, Miller, Goldstein & Lesser, P.C, our principal accountant, in advance. In addition the Audit Committee approved tax services (as described in c above) provided by our independent auditors. These services were pre-approved by our Audit Committee to assure that such services do not impair the auditor's independence from us.

The percentage of hours expended on audit by persons other than our principal accountant's full time, permanent employees, did not exceed 50%.

Financial Information Systems Design and Implementation Fees

Hoberman, Miller, Goldstein & Lesser, P.C or Amper Politzer and Mattia, P.C. did not bill us for any professional services rendered to us and our affiliates during the fiscal year ended December 31, 2010 in connection with financial information systems design or implementation, the operation of our information system or the management of our local area network.

Pre-Approval Policies and Procedures

None of the audit-related fees billed in fiscal years 2010 and 2009 related to services provided under the de minimis exception to the audit committee pre-approval requirements.

The Audit Committee has adopted policies and procedures relating to the approval of all audit and non-audit services that are to be performed by our independent registered public accounting firm. This policy generally provides that we will not engage our independent registered public accounting firm to render audit or non-audit services unless the service is specifically approved in advance by the Audit Committee or the engagement is entered into pursuant to one of the pre-approval procedures described below.

From time to time, the Audit Committee may pre-approve specified types of services that are expected to be provided to us by our independent registered public accounting firm during the next 12 months. Any such pre-approval is detailed as to the particular service or type of services to be provided and is also generally subject to a maximum dollar amount.

The Audit Committee has also delegated to the chairman of the Audit Committee the authority to approve any audit or non-audit services to be provided to us by our independent registered public accounting firm. Any approval of services by a member of the Audit Committee pursuant to this delegated authority is reported on at the next meeting of the Audit Committee.

The Board recommends a vote FOR the ratification of the appointment of Hoberman, Miller, Goldstein & Lesser, P.C. as independent auditors for the 2011 fiscal year.

MANHATTAN BRIDGE CAPITAL, INC. 2009 STOCK OPTION PLAN AS AMENDED

SECTION 1.PURPOSE

The purposes of the 2009 Stock Option Plan (the “Plan”) are to align the interests of officers, other key employees, consultants and non-employee directors of Manhattan Bridge Capital, Inc. (the “Company”) and its subsidiaries with those of the shareholders of the Company, to afford an incentive to such officers, employees, consultants and directors to continue as such, to increase their efforts on behalf of the Company and to promote the success of the Company’s business. To further such purposes, the Compensation Committee may grant options to purchase Common Shares. The provisions of the Plan are intended to satisfy the requirements of Section 16(b) of the Securities Exchange Act of 1934 and of Section 162(m) of the Internal Revenue Code of 1986, as amended, and shall be interpreted in a manner consistent with the requirements thereof, as now or hereafter construed, interpreted and applied by regulations, rulings and cases.

For purposes of this Section 2(c), no act, or failure to act, on an Optionee's part shall be considered “willful” unless done, or omitted to be done, by the Optionee in bad faith and without reasonable belief that his action or omission was in the best interest of the Company. (iii) there is consummated a merger or consolidation of the Company or a direct or indirect subsidiary thereof with any other corporation, other than (A) a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior to such merger or consolidation continuing to represent (either by remaining outstanding or by being converted into voting securities of the surviving entity or any parent thereof), in combination with the ownership of any trustee or other fiduciary holding securities under an employee benefit plan of the Company, at least 50% of the combined voting power of the securities of the Company or such surviving entity or any parent thereof outstanding immediately after such merger or consolidation, or (B) a merger or consolidation effected to implement a recapitalization of the Company (or similar transaction) in which no Person is or becomes the beneficial owner, directly or indirectly, of securities of the Company (not including in the securities beneficially owned by such Person any securities acquired directly from the Company or its subsidiaries) representing 50% or more of the combined voting power of the Company's then outstanding securities; or

(iv) the shareholders of the Company approve a plan of complete liquidation or dissolution of the Company or there is consummated an agreement for the sale or disposition by the Company of all or substantially all of the Company's assets, other than a sale or disposition by the Company of all or substantially all of the Company's assets to an entity, at least 50% of the combined voting power of the voting securities of which are owned by Persons in substantially the same proportions as their ownership of the Company immediately prior to such sale.

SECTION 3.ADMINISTRATION

The Plan shall be administered by the Compensation Committee, the members of which shall, except as may otherwise be determined by the Board, be “non-employee directors” under Rule 16b-3 and “outside directors” under Section 162(m) of the Code.

The Compensation Committee shall have the authority in its discretion, subject to and not inconsistent with the express provisions of the Plan, to administer the Plan and to exercise all the powers and authorities either specifically granted to it under the Plan or necessary or advisable in the administration of the Plan, including, without limitation, the authority to grant Options; to determine which Options shall constitute Incentive Stock Options and which Options shall constitute Nonqualified Stock Options; to determine the Option Price; to determine the persons to whom, and the time or times at which awards shall be granted; to determine the number of shares to be covered by each award; to interpret the Plan; to prescribe, amend and rescind rules and regulations relating to the Plan; to determine the terms and provisions of the Agreements (which need not be identical) and to cancel or suspend awards, as necessary; and to make all other determinations deemed necessary or advisable for the administration of the Plan.

The Compensation Committee may delegate to one or more of its members or to one or more agents such administrative duties as it may deem advisable, including delegating to one or more of the Company's management employees the authority to grant Options to employees who are not “insiders” for purposes of Section 16 of the Exchange Act and who are not “covered employees” for purposes of Section 162(m) of the Code, and the Compensation Committee or any person to whom it has delegated duties as aforesaid may employ one or more persons to render advice with respect to any responsibility the Compensation Committee or such person may have under the Plan. The Board shall have sole authority, unless expressly delegated to the Compensation Committee, to grant Options to Non-employee Directors. All decisions, determination and interpretations of the Compensation Committee shall be final and binding on all Optionees of any awards under this Plan.

The Board shall have the authority to fill all vacancies, however caused, in the Compensation Committee. The Board may from time to time appoint additional members to the Compensation Committee, and may at any time remove one or more Compensation Committee members. One member of the Compensation Committee shall be selected by the Board as chairman. The Compensation Committee shall hold its meetings at such times and places as it shall deem advisable. All determinations of the Compensation Committee shall be made by a majority of its members either present in person or participating by conference telephone at a meeting or by written consent. The Compensation Committee may appoint a secretary and make such rules and regulations for the conduct of its business as it shall deem advisable, and shall keep minutes of its meetings.

No member of the Board or Compensation Committee shall be liable for any action taken or determination made in good faith with respect to the Plan or any award granted hereunder.

SECTION 4.ELIGIBILITY

Options may be granted to officers and other key employees of and consultants to the Company, and its Subsidiaries, including officers and directors who are employees, and to Non-employee Directors. In determining the persons to whom awards shall be granted and the number of shares to be covered by each award, the Compensation Committee shall take into account the duties of the respective persons, their present and potential contributions to the success of the Company and such other factors as the Compensation Committee shall deem relevant in connection with accomplishing the purpose of the Plan.

SECTION 5. STOCK

The maximum number of Common Shares reserved for the grant of awards under the Plan shall be **400,000**, subject to adjustment as provided in Section 9 hereof. Such shares may, in whole or in part, be authorized but unissued shares or shares that shall have been or may be required by the Company.

If any outstanding Option granted under this Plan should for any reason expire, be canceled or be forfeited without having been exercised in full, the Common Shares allocable to the unexercised, canceled or terminated portion of such award shall (unless the Plan shall have been terminated) become available for subsequent grants of Options under the Plan.

If any outstanding Option granted under Prior Plan should for any reason expire, be canceled or be forfeited without having been exercised in full, the Common Shares allocable to the unexercised, canceled or terminated portion of such award shall not become available for subsequent grants of Options under this Plan.

SECTION 6. TERMS AND CONDITIONS OF OPTIONS

Each Option granted pursuant to the Plan shall be evidenced by an Agreement, in such form and containing such terms and conditions as the Compensation Committee shall from time to time approve, which Agreement shall comply with and be subject to the following terms and conditions, unless otherwise specifically provided in such Option Agreement:

- (a) Number of Shares. Each Option Agreement shall state the number of Common Shares to which the Option relates.
- (b) Type of Option. Each Option Agreement shall specifically state that the Option constitutes an Incentive Stock Option or a Nonqualified Stock Option.
- (c) Option Price. Each Option Agreement shall state the Option Price, which shall not be less than one hundred percent (100%) of the Fair Market Value of the Common Shares covered by the Option on the date of grant unless, with respect to Nonqualified Stock Options, otherwise determined by the Compensation Committee. The Option Price shall be subject to adjustment as provided in Section 9 hereof. The date as of which the Compensation Committee adopts a resolution expressly granting an Option shall be considered the day on which such Option is granted, unless such resolution specifies a future different date.
- (d) Medium and Time of Payment. The Option Price shall be paid in full, at the time of exercise, in cash or in Common Shares then owned by the Optionee having a Fair Market Value equal to such Option Price or in a combination of cash and Common Shares or, unless the Compensation Committee shall determine otherwise, by a cashless exercise procedure through a broker-dealer.
- (e) Exercise Schedule and Period of Options. Each Option Agreement shall provide the exercise schedule for the Option as determined by the Compensation Committee; provided, however, that, the Compensation Committee shall have the authority to accelerate the exercisability of any outstanding Option at such time and under such circumstances as it, in its sole discretion, deems appropriate. The exercise period shall be five (5) years from the date of the grant of the Option unless otherwise determined by the Compensation Committee; provided, however, that, in the case of an Incentive Stock Option, such exercise period shall not exceed five (5) years from the date of grant of such Option. The exercise period shall be subject to earlier termination as provided in Sections 6(f) and 6(g) hereof. An Option may be exercised, as to any or all full Common Shares as to which the Option has become exercisable, by written notice delivered in person or by mail to the Secretary of the Company, specifying the number of shares of Common Shares with respect to which the Option is being exercised. Notwithstanding any other provision of this Plan, no Option granted hereunder may be exercised prior to the consummation of an underwritten public offering of the Company's securities where the gross proceeds from such offering are in excess of \$5 million.

(f) Termination . Except as provided in this Section 6(f) and in Section 6(g) hereof, an Option may not be exercised unless (i) with respect to an Optionee who is an employee of the Company or a Subsidiary (or a Parent or Subsidiary company of such company issuing or assuming the Option), the Optionee is then in the employ of the Company or a Subsidiary (or a company or a Parent or Subsidiary company of such company issuing or assuming the Option in a transaction to which Section 424(a) of the Code applies), and unless the Optionee has remained continuously so employed since the date of grant of the Option and (ii) with respect to an Optionee who is a Non-employee Director, the Optionee is then serving as a member of the Board or as a member of a board of directors of a company or a Parent or Subsidiary company of such company issuing or assuming the Option. In the event that the employment of an Optionee shall terminate or the service of an Optionee as a member of the Board shall cease (other than by reason of death, Disability, Retirement or Cause), all Options of such Optionee that are exercisable at the time of such termination may, unless earlier terminated in accordance with their terms, be exercised within ninety (90) days after the date of such termination or service (or such different period as the Compensation Committee shall prescribe).

(g) Death, Disability or Retirement of Optionee . If an Optionee shall die while employed by the Company or a Subsidiary or serving as a member of the Board, or within ninety (90) days after the date of termination of such Optionee's employment or cessation of such Optionee's service (or within such different period as the Compensation Committee may have provided pursuant to Section 6(f) hereof), or if the Optionee's employment shall terminate or service shall cease by reason of Disability or Retirement, all Options theretofore granted to such Optionee (to the extent otherwise exercisable) may, unless earlier terminated in accordance with their terms, be exercised by the Optionee or by his beneficiary, at any time within one year after the death, Disability or Retirement of the Optionee (or such different period as the Compensation Committee shall prescribe). In the event that an Option granted hereunder shall be exercised by the legal representatives of a deceased or former Optionee, written notice of such exercise shall be accompanied by a certified copy of letters testamentary or equivalent proof of the right of such legal representative to exercise such Option. Unless otherwise determined by the Compensation Committee, Options not otherwise exercisable on the date of termination of employment shall be forfeited as of such date.

(h) Other Provisions . The Option Agreements evidencing awards under the Plan shall contain such other terms and conditions not inconsistent with the Plan as the Compensation Committee may determine, including penalties for the commission of competitive acts and a provision providing that no option may be exercised prior to the consummation of an underwritten initial public offering of the Company's securities pursuant to a registration statement filed pursuant to the Securities Act of 1933, as amended.

SECTION 7.NON DISCRETIONARY GRANTS

Each director of the Company, other than a director who is an officer, employee or beneficial owner of 10% or more of the Company's Common Shares (or an officer, director, employee or affiliate thereof), upon first taking office shall be granted options for 7,000 Common Shares.

SECTION 8.NONQUALIFIED STOCK OPTIONS

Options granted pursuant to Section 7 hereof are intended to constitute Nonqualified Stock Options and shall be subject only to the general terms and conditions specified in Section 6 hereof.

SECTION 9.INCENTIVE STOCK OPTIONS

Options granted pursuant to this Section 9 are intended to constitute Incentive Stock Options and shall be subject to the following special terms and conditions, in addition to the general terms and conditions specified in Section 6 hereof. An Incentive Stock Option may not be granted to a Non-employee Director or a consultant to the Company.

(a) Value of Shares . The aggregate Fair Market Value (determined as of the date the Incentive Stock Option is granted) of the Common Shares with respect to which Incentive Stock Options granted under this Plan and all other option plans of any subsidiary become exercisable for the first time by each Optionee during any calendar year shall not exceed \$100,000.

(b) Ten Percent Stockholder . In the case of an Incentive Stock Option granted to a Ten Percent Stockholder, (i) the Option Price shall not be less than one hundred ten percent (110%) of the Fair Market Value of the Common Shares on the date of grant of such Incentive Stock Option, and (ii) the exercise period shall not exceed five (5) years from the date of grant of such Incentive Stock Option.

SECTION 10.EFFECT OF CERTAIN CHANGES

(a) In the event of any extraordinary dividend, stock dividend, recapitalization, merger, consolidation, stock split, warrant or rights issuance, or combination or exchange of such shares, or other similar transactions, each of the number of Common Shares available for awards, the number of such shares covered by outstanding awards, and the price per share of Options, as appropriate, shall be equitably adjusted by the Compensation Committee to reflect such event and preserve the value of such awards; provided, however, that any fractional shares resulting from such adjustment shall be eliminated.

(b) Upon the occurrence of a Change in Control, each Option granted under the Plan and then outstanding but not yet exercisable shall thereupon become fully exercisable.

SECTION 11.SURRENDER AND EXCHANGE OF AWARDS

The Compensation Committee may permit the voluntary surrender of all or a portion of any Option granted under the Plan or any option granted under any other plan, program or arrangement of the Company or any Subsidiary ("Surrendered Option"), to be conditioned upon the granting to the Optionee of a new Option for the same number of Common Shares as the Surrendered Option, or may require such voluntary surrender as a condition precedent to a grant of a new Option to such Optionee. Subject to the provisions of the Plan, such new Option may be an Incentive Stock Option or a Nonqualified Stock Option, and shall be exercisable at the price, during such period and on such other terms and conditions as are specified by the Compensation Committee at the time the new Option is granted.

SECTION 12.PERIOD DURING WHICH AWARDS MAY BE GRANTED

Awards may be granted pursuant to the Plan from time to time within a period of ten (10) years from the effective date of the Plan (see section 14), unless the Board shall terminate the Plan at an earlier date.

SECTION 13.NONTRANSFERABILITY OF AWARDS

Except as otherwise determined by the Compensation Committee, Options granted under the Plan shall not be sold, assigned, transferred, pledged or otherwise encumbered by the person to whom they are granted other than by will or by the laws of descent and distribution, and awards may be exercised or otherwise realized, during the lifetime of the Optionee, only by the Optionee or by his guardian or legal representative.

SECTION 14.EFFECTIVE DATE AND TERM OF PLAN

The Plan shall be effective as of June 23, 2009 and shall terminate on the tenth anniversary of such date, unless sooner terminated by the Board pursuant to Section 16 .

SECTION 15.AGREEMENT BY OPTIONEE REGARDING WITHHOLDING TAXES

If the Compensation Committee shall so require, as a condition of exercise of a Nonqualified Stock Option (a "Tax Event"), each Optionee who is not a Non-employee Director shall agree that no later than the date of the Tax Event, such Optionee will pay to the Company or make arrangements satisfactory to the Compensation Committee regarding payment of any federal, state or local taxes of any kind required by law to be withheld upon the Tax Event. Alternatively, the Compensation Committee may provide that such an Optionee may elect, to the extent permitted or required by law, to have the Company deduct federal, state and local taxes of any kind required by law to be withheld upon the Tax Event from any payment of any kind due the Optionee. The withholding obligation may be satisfied by the withholding or delivery of Common Shares. Any decision made by the Compensation Committee under this Section 15 shall be made in its sole discretion.

SECTION 16.AMENDMENT AND TERMINATION OF THE PLAN

The Board at any time and from time to time may suspend, terminate, modify or amend the Plan or any portion thereof; provided, however, that, unless otherwise determined by the Board, an amendment that requires stockholder approval in order for the Plan to continue to comply with Rule 16b-3, Section 162(m) of the Code or any other law, regulation or stock exchange requirement shall not be effective unless approved by the requisite vote of shareholders. Except as provided in Section 10(a) hereof, no suspension, termination, modification or amendment of the Plan may adversely affect any award previously granted, unless the written consent of the Optionee is obtained.

SECTION 17.RIGHTS AS A SHAREHOLDER

An Optionee or a transferee of an award shall have no rights as a shareholder with respect to any shares covered by the award until the date of the issuance of a stock certificate to him for such shares. No adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distribution of other rights for which the record date is prior to the date such stock certificate is issued, except as provided in Section 10(a) hereof.

SECTION 18.NO RIGHTS TO EMPLOYMENT OR SERVICE AS A DIRECTOR

Nothing in the Plan or in any award granted or Agreement entered into pursuant hereto shall confer upon any Optionee the right to continue in the employ of the Company or any Subsidiary or as a member of the Board or to be entitled to any remuneration or benefits not set forth in the Plan or such Agreement or to interfere with or limit in any way the right of the Company or any such Subsidiary to terminate such Optionee's employment or service. Awards granted under the Plan shall not be affected by any change in duties or position of an employee Optionee as long as such Optionee continues to be employed by the Company or any Subsidiary.

SECTION 19.BENEFICIARY

An Optionee may file with the Compensation Committee a written designation of a beneficiary on such form as may be prescribed by the Compensation Committee and may, from time to time, amend or revoke such designation. If no designated beneficiary survives the Optionee, the executor or administrator of the Optionee's estate shall be deemed to be the Optionee's beneficiary.

SECTION 20.GOVERNING LAW

The Plan and all determinations made and actions taken pursuant hereto shall be governed by the laws of the State of New York.

This Agreement date as of _____, 2011 (the "Agreement") by and between Assaf Ran ("Ran") and Manhattan Bridge Capital, Inc., a New York corporation (the "Company").

WHEREAS, Ran is the President and Chief Executive Officer of the Company; and

WHEREAS, Ran holds options to purchase 210,000 shares of the common stock par value \$.001 per share of the Company at prices per share of greater than \$1.50 (the "Out of the Money Options"); and

WHEREAS, Ran holds options to purchase 280,000 shares of Common Stock at prices per share of less than \$1.50 (the "In the Money Options"); and

WHEREAS, in order to secure the continued employment of Ran, the Board of Directors of the Company has agreed to grant to Ran 1,000,000 shares of restricted Common Stock pursuant to the terms set forth below (the "Grant"); and

WHEREAS, in consideration of the Grant, Ran has agreed to (i) cancel the Out of the Money Options and (ii) not to exercise any of the In the Money Options;

NOW THEREFORE, the parties hereby agree as follows:

1. In consideration of Ran's continued employment with the Company and of services previously rendered by Ran, the Company hereby awards to Ran 1,000,000 shares of Common Stock (the "Granted Shares"). The Company represents that the Granted Shares are fully paid and non-assessable.
2. As used herein the term "Granted Shares" shall mean and include, in addition to the above referenced number of shares, any new shares or other securities convertible into shares resulting from any merger or reorganization of the Company, or the recapitalization, reclassification or split of the Granted Shares, or any stock dividend paid on the Granted Shares.
3. By accepting the Granted Shares Ran agrees as follows:
 - a. No Granted Shares shall be sold, conveyed, transferred, pledged, encumbered or otherwise disposed of (any such disposition being herein called a "Transfer") prior to the earliest of (i) June 30, 2026, with respect to 1/3 of the Restricted Shares, June 30, 2027 with respect to an additional 1/3 of the Restricted Shares and June 30, 2028 with respect to the final 1/3 of the Restricted Shares; (ii) the date on which Ran's employment is terminated by the Company for any reason other than for "Cause" (as defined below), (iii) the date on which Ran's employment is terminated on account of (1) his death or (2) Ran's disability which in the opinion both of Ran's personal physician and a physician selected by the Company prevents him from being employed full time (each such date being hereinafter called a "Risk Termination Date" with respect to 1/3 of the shares).

“Cause” shall mean misconduct which is materially injurious to the Company, monetarily or otherwise, including but not limited to, engaging in any conduct which constitutes a felony under federal, state or local laws.

b. If at any time prior to a Risk Termination Date, either (i) the Company terminates Ran for Cause or (ii) Ran voluntarily terminates his employment with the Company for any reason other than a reason described in subsection (iii) in paragraph (a) above (each such termination being herein called an “Event of Retransfer”) then, upon such Event of Retransfer, Ran shall transfer to the Company the Granted Shares not previously vested on the day following such termination. Upon an Event of Retransfer, Ran shall deliver to the Company all stock certificates representing such unvested Granted Shares, duly endorsed with Ran's signature guaranteed thereon by a bank and the Company shall deliver to Ran a receipt therefor. Immediately upon such Event of Retransfer, such unvested Granted Shares shall be deemed to have been transferred to the Company and Ran shall have no further rights or privileges as a holder of the Granted Shares so re-transferred.

c. Ran represents and agrees that he will only sell, transfer, pledge or hypothecate any of the Granted Shares pursuant to an effective registration statement under the Securities Act of 1933 or in a transaction wherein registration under the Securities Act of 1933 is not required.

d. All certificates for Granted Shares shall be endorsed as follows:

“The shares of stock represented by this certificate are subject to certain restrictions and obligations stated in and are transferable only upon compliance with the provisions of an Agreement dated _____, 2011 between this Corporation and the registered holder, a copy of which Agreement is on file in the office of the Secretary of this Corporation.”

“The shares represented by this certificate have not been registered under the Securities Act of 1933. The shares have been acquired for investment and must be held unless they are subsequently registered under the Securities Act of 1933 or, in the opinion of counsel to this Corporation, an exemption from registration under said Act is available.

4. Ran shall be entitled to (i) vote the Granted Shares and (ii) retain all cash and/or property dividends, if any, paid with respect to the Granted Shares.

5. In order to facilitate compliance with the transactions described herein, the certificates representing the Granted Shares are being deposited in escrow with an escrow agent designated by Ran who is reasonably acceptable to the Company, (the "Escrowee"), together with stock powers covering the Granted Shares duly endorsed by Ran, in blank, with his signature guaranteed thereon by a bank, and shall be held and disposed of by the Escrowee in accordance with all of the terms hereof. Provided an Event of Retransfer has not then occurred, the Escrowee, on each Risk Termination Date (or as soon thereafter as is reasonably practicable), shall return to Ran such certificates and powers as shall represent 1/3 the number of Granted Shares then held by Escrowee. Such deposit shall not affect Ran's right as a holder of the Granted Shares. The Escrowee shall be under no duty except to receive the certificates and dispose of same in accordance with the terms hereof.

6. In consideration of the Grant, Ran hereby agrees (a) that the Out of the Money Options are hereby terminated, cancelled and of no further force and effect and (b) he will not under any circumstances transfer and/or exercise any of the In the Money Options, and Ran acknowledges and agrees that if any of the In the Money Options shall hereafter be exercised Ran shall forfeit that number of the Granted Shares as shall be equal to (x) the number of Granted Shares (at the time of such exercise), times (y) a fraction the numerator of which shall be the number of shares for which the In the Money Options have been exercised and the denominator of which shall be 280,000 (as adjusted for stock dividends, stock splits, reverse stock splits, etc.

7. In order to enforce the provisions of Section 6, Ran is hereby delivering (a) the documents representing the Out of the Money Options to the Company for cancellation and (b) the documents representing the In the Money Options to the Escrowee to be held until such In the Money Options expire, at which time such documents shall be delivered to the Company for destruction.

8.
