**FOR ANNUAL MEETING OF STOCKHOLDERS  
To be held on Tuesday, June 18, 2013**

Proxies in the form enclosed with this Proxy Statement are solicited by the Board of Directors (the "Board") of Manhattan Bridge Capital, Inc. (the "Company," "we," "us," "our," or any derivative thereof) to be used at the Annual Meeting of Stockholders (the "Annual Meeting") to be held at the offices of Morse, Zelnick, Rose & Lander, LLP, 405 Park Avenue, Suite 1401, New York, New York 10022, on Tuesday, June 18, 2013 at 9:00 a.m., local time, for the purposes set forth in the Notice of Meeting and this Proxy Statement. The Company's principal executive offices are located at 60 Cutter Mill Road, Suite 205, Great Neck, New York 11021. The approximate date on which this Proxy Statement, the accompanying Proxy and Annual Report for the year ended December 31, 2012 will be mailed to stockholders is May 17, 2013.

**IMPORTANT NOTICE REGARDING AVAILABILITY OF PROXY MATERIALS  
FOR THE STOCKHOLDER MEETING TO BE HELD ON TUESDAY, JUNE 18, 2013**

**The proxy materials for the Annual Meeting, including the Annual Report and the Proxy Statement are also available at <http://www.manhattanbridgecapital.com/meeting-2013.html>**

**THE VOTING AND VOTE REQUIRED**

Record Date and Quorum

Only stockholders of record at the close of business on May 7, 2013 (the "Record Date"), are entitled to notice of and vote at the Annual Meeting. On the Record Date, there were 4,274,610 outstanding shares of our common stock, par value \$.001 per share, ("Common Stock" or "Common Share"). Each Common Share is entitled to one vote. Common Shares represented by each properly executed, unrevoked proxy received in time for the Annual Meeting will be voted as specified. Common Shares were our only voting securities outstanding on the Record Date. A quorum will be present at the Annual Meeting if stockholders owning a majority of the Common Shares outstanding on the Record Date are present at the meeting in person or by proxy.

Voting of Proxies

The persons acting as proxies (the "Proxyholders") pursuant to the enclosed Proxy will vote the shares represented as directed in the signed proxy. Unless otherwise directed in the proxy, the Proxyholders will vote the shares represented by the proxy: (i) for the election of the director nominees named in this Proxy Statement; (ii) for the ratification of the appointment of Hoberman, Goldstein & Lesser, P.C. as the Company's independent auditors for the year ending December 31, 2013; (iii) for the holding of a non-binding advisory resolution relating to executive compensation; (iv) for the holding of a non-binding advisory vote on executive compensation every three years; and (v) in their discretion, on any other business that may come before the Annual Meeting and any adjournments of the Annual Meeting.

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. All shares represented by valid proxies will be voted in accordance with the instructions contained therein. In the absence of instructions, proxies will be voted FOR each of the stated matters being voted on at the Annual Meeting. A proxy may be revoked by the stockholder giving the proxy at any time before it is voted, by written notice addressed to and received by the Secretary of the Company or Secretary of the meeting, and a prior proxy is automatically revoked by a stockholder giving a subsequent proxy or attending and voting at the Annual Meeting. Attendance at the Annual Meeting, however, in and of itself does not revoke a prior proxy. In the case of the election of directors, shares represented by a proxy which are marked "WITHHOLD AUTHORITY" to vote for all director nominees will not be counted in determining whether a plurality vote has been received for the election of directors. Shares represented by proxies that are marked "ABSTAIN" on any other proposal will not be counted in determining whether the requisite vote has been received for such proposal. In instances where brokers are prohibited from exercising discretionary authority for beneficial owners who have not returned proxies ("broker non-votes"), those shares will not be included in the vote totals and, therefore, will have no effect on the outcome of the vote.

### Voting Requirements

Election of Directors and Approval of the Non-Binding Advisory Vote on the Frequency of an Advisory Vote on Executive Compensation (the "Frequency Vote"). The election of the six director nominees and the approval of the Frequency Vote will require a plurality of the votes cast on each of the matters at the Annual Meeting. With respect to the election of directors, votes may be cast in favor of or withheld with respect to each nominee. Votes that are withheld will be excluded entirely from the vote and will have no effect on the outcome of the vote. With respect to the Frequency Vote, a stockholder may vote to set the Frequency Vote to occur every year, every two years, or every three years, or the stockholder may vote to abstain. An abstention will be excluded entirely from the vote and will have no effect on the outcome of the vote.

Ratification of the Appointment of Independent Auditors and Approval of the Non-Binding Advisory Resolution Relating to Executive Compensation. The affirmative vote of a majority of the votes cast on the matter by stockholders entitled to vote at the Annual Meeting is required to approve the appointment of Hoberman, Goldstein & Lesser, P.C. as the Company's independent auditors for the fiscal year ending December 31, 2013 and the non-binding advisory resolution relating to executive compensation. An abstention from voting on approval of auditors will be treated as "present" for quorum purposes. However, since an abstention is not treated as a "vote" for or against the matter, it will have no effect on the outcome of the vote on either matter.

**Proposal No. 1**  
**ELECTION OF DIRECTORS**

Six directors are to be elected at the Annual Meeting. All directors hold office until the next annual meeting of stockholders and until their successors are duly elected and qualified.

It is intended that votes pursuant to the enclosed proxy will be cast for the election of the six nominees named below. In the event that any such nominee should become unable or unwilling to serve as a director, the Proxy will vote for the election of an alternate candidate, if any, as shall be designated by the Board. Our Board has no reason to believe these nominees will be unable to serve if elected. Each nominee has consented to being named in this Proxy Statement and to serve if elected. ### Code of Ethics

The Board has adopted a written Code of Ethics that applies to all directors, officers and employees of the Company and is available on our Web site, which is located at [www.manhattanbridgecapital.com](http://www.manhattanbridgecapital.com). In addition, we intend to post on our Web site all disclosures that are required by law or NASDAQ stock market (the "NASDAQ") listing standards concerning any amendments to, or waivers from, any provision of our Code of Ethics.

### Board and Committees

The Board has a standing Audit Committee ("Audit Committee"), Compensation Committee ("Compensation Committee") and Nominating Committee ("Nominating Committee"). During fiscal year 2012, the Board held four meetings, our Audit Committee held four meetings, and our Compensation Committee and Nominating Committee did not meet. Our Audit Committee is comprised of Michael J. Jackson, Phillip Michals, Eran Goldshmit and Lyron Bentovim. Each of our Compensation Committee and Nominating Committee is comprised of Michael J. Jackson, Phillip Michals and Eran Goldshmit. Current copies of each committee's charter are available on our web site at [www.manhattanbridgecapital.com](http://www.manhattanbridgecapital.com).

All directors attended or participated in at least 75% of the aggregate number of meetings of the Board and of the Board's committees on which each applicable director served.

It is the Company's policy that directors are invited and encouraged to attend the Annual Meeting. All of our then current directors, except Mr. Goldshmit, attended our annual meeting held in 2012.

### Determination of Independence

The Board has determined, in accordance with NASDAQ's listing standards, that: (i) Messrs. Jackson, Michals, Goldschmit and Bentovim (the "Independent Directors") are independent and represent a majority of its members; (ii) Messrs. Jackson, Michals, Goldschmit and Bentovim, as the sole members of the Audit Committee, are independent for such purposes; and (iii) Messrs. Jackson, Michals and Goldschmit, as the sole members of the Compensation Committee, are independent for such purposes. In determining director independence, our Board applies the independence standards set by NASDAQ. In its application of such standards the Board takes into consideration all transactions with Independent Directors and the impact of such transactions, if any, on any of the Independent Directors' ability to continue to serve on our Board. To that end, for the fiscal year ended December 31, 2012, our Board considered the compensation paid to the Independent Directors and determined that it was within the limits of the independence standards set by NASDAQ and did not impact their ability to continue to serve as Independent Directors.

## Compensation Committee

The purpose of our Compensation Committee is to discharge the responsibilities of our Board relating to compensation of our executive officers. The specific responsibilities of our Compensation Committee include:

- establishing and periodically reviewing our compensation philosophy and the adequacy of compensation plans and programs for our executive officers and other employees;
- establishing compensation arrangements and incentive goals for our executive officers and administering compensation plans;
- reviewing the performance of our executive officers and awarding incentive compensation and adjusting compensation arrangements as appropriate based upon performance; and
- reviewing and monitoring our management development and succession plans and activities.

The Compensation Committee is comprised entirely of directors who satisfy the standards of independence applicable to compensation committee members established under 162(m) of the Internal Revenue Code and Section 16(b) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

## Audit Committee

Our Audit Committee assists our Board in its oversight of our financial reporting and accounting processes. Management has the primary responsibility for the preparation of financial statements and the reporting processes, including the system of internal controls. Our independent registered public accountants are responsible for auditing our annual financial statements and issuing a report on the financial statements. In this context, the oversight function of our Audit Committee includes:

- a review of the audits of our financial statements, including the integrity of our financial statements;
- a review of our compliance with legal and regulatory requirements;
- a review of the performance of our independent registered public accountants, including the engagement of the independent registered public accountants and the monitoring of the independent registered public accountants’ qualifications and independence;
- the preparation of the report required to be included in our annual proxy statement in accordance with Securities and Exchange Commission (“SEC”) rules and regulations; and
- a review of the quarterly and annual reports filed with the SEC on Forms 10Q and 10K, respectively.

The Board has determined that Michael Jackson, the chairman of the Audit Committee, is qualified as an Audit Committee Financial Expert pursuant to Item 407(d)(5) of Regulations S-K. Each of the Audit Committee members is independent, as that term is defined in Section 10A(m)(3) of the Exchange Act, and their relevant experience is more fully described above.

## Audit Committee Report

The Audit Committee oversees our financial reporting process on behalf of the Board. The Audit Committee consists of four members of the Board who meet the independence and experience requirements of NASDAQ and the SEC.

The Audit Committee retains our independent registered public accounting firm and approves in advance all permissible non-audit services performed by them and other auditing firms. Although management has the primary responsibility for the financial statements and the reporting process including the systems of internal control, the Audit Committee consults with management and our independent registered public accounting firm regarding the preparation of financial statements, the adoption and disclosure of our critical accounting estimates and generally oversees the relationship of the independent registered public accounting firm with our Company.

The Audit Committee reviewed our audited financial statements for the year ended December 31, 2012, and met with management to discuss such audited financial statements. The Audit Committee has discussed with the Company's independent accountants, Hoberman, Goldstein & Lesser, P.C., the matters required to be discussed pursuant to Statement on Accounting Standards No. 61, as amended, as adopted by the Public Company Accountant Oversight Board in Rule 3200T. The Audit Committee has received the written disclosures and the letter from Hoberman, Goldstein & Lesser, P.C. required by the Public Company Accountant Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and has discussed with Hoberman, Goldstein & Lesser, P.C. its independence from the Company and its management. Hoberman, Goldstein & Lesser, P.C. had full and free access to the Audit Committee. Based on its review and discussions, the Audit Committee recommended to the Board that the audited financial statements of the Company for the year ended December 31, 2012 be included in its Annual Report on Form 10-K for the year then ended for filing with the SEC.

AUDIT COMMITTEE:

Michael J. Jackson, Chairman  
Philip Michals  
Eran Goldshmit  
Lyron Bentovim

The above Audit Committee report is not deemed to be "soliciting material," and is not "filed" with the SEC.

**Nominating Committee**

The Nominating Committee is responsible for nominating director candidates for the Annual Meeting of Stockholders each year and will consider director candidates recommended by stockholders. In considering candidates submitted by stockholders, the Nominating Committee will take into consideration the needs of the Board and the qualifications of the candidate. The Nominating Committee may also take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held. To have a candidate considered by the Nominating Committee, a stockholder must submit the recommendation in writing and must include the following information: (i) the name of the stockholder and evidence of the person's ownership of Company stock, (including the number of shares owned and the length of time of ownership); (ii) the name of the candidate; (iii) the candidate's resume or a listing of his or her qualifications to be a director of the Company; and (iv) the person's consent to be named as a director if selected by the Nominating Committee and nominated by the Board.

The information described above must be sent to the Company's Chief Financial Officer at 60 Cutter Mill Road, Great Neck, NY 11021, on a timely basis in order to be considered by the Nominating Committee, within the time periods set forth in the "Stockholder Proposals" section below.

The Nominating Committee may also receive suggestions from current Company directors, executive officers or other sources, which may be either unsolicited or in response to requests from the Nominating Committee for such candidates. The Nominating Committee also, from time to time, may engage firms that specialize in identifying director candidates.

Once a person has been identified by the Nominating Committee as a potential candidate, the Nominating Committee may collect and review publicly available information regarding the person to assess whether the person should be considered further. If the Nominating Committee determines that the candidate warrants further consideration, the Chairman or another member of the Nominating Committee may contact the person. Generally, if the person expresses a willingness to be considered and to serve on the Board, the Nominating Committee may request information from the candidate, review the person's accomplishments and qualifications and may conduct one or more interviews with the candidate. The Nominating Committee may consider all such information in light of information regarding any other candidates that the Nominating Committee might be evaluating for membership on the Board. In certain instances, Nominating Committee members may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments. The Nominating Committee's evaluation process does not vary based on whether or not a candidate is recommended by a stockholder, although, as stated above, the Board may take into consideration the number of shares held by the recommending stockholder and the length of time that such shares have been held.

### **Disclosure of Director Qualifications**

The Board, acting through the Nominating Committee, is responsible for assembling for stockholder consideration a group of nominees that, taken together, have the experience, qualifications, attributes, and skills appropriate for functioning effectively as a Board.

The Nominating Committee believes that the minimum qualifications for service as a director are that a nominee possess an ability, as demonstrated by recognized success in his or her field, to make meaningful contributions to the Board's oversight of the business and affairs of the Company and an impeccable reputation of integrity and competence in his or her personal or professional activities. The Nominating Committee's criteria for evaluating potential candidates include the following: (i) an understanding of the Company's business environment, (ii) the possession of such knowledge, skills, expertise and diversity of experience that would enhance the Board's ability to manage and direct the affairs and business of the Company and (iii) certain characteristics common to all Board members, including integrity, strong professional reputation and record of achievement, constructive and collegial personal attributes, and the ability and commitment to devote sufficient time and energy to Board service.

In addition, the Nominating Committee seeks to include on the Board a complementary mix of individuals with diverse backgrounds and skills reflecting the broad set of challenges that the Board confronts.

### **Board Leadership Structure**

Mr. Ran has served as Chairman of the Board, Chief Executive Officer and President since our inception in 1989. Our By-Laws give the Board the flexibility to determine whether the roles of Chairman and Chief Executive Officer should be held by the same person or by two separate individuals. Each year, the Board evaluates our leadership structure and determines the most appropriate structure for the coming year based upon its assessment of our position, strategy, and our long term plans. The Board also considers the specific circumstances we face and the characteristics and membership of the Board. At this time, the Board has determined that having Mr. Ran serve as both the Chairman and Chief Executive Officer is in the best interest of our stockholders. We believe this structure makes the best use of the Chief Executive Officer's extensive knowledge of our business and personnel, our strategic initiatives and our industry, and also fosters real-time communication between management and the Board.

### **The Board's Oversight of Risk Management**

The Board recognizes that companies face a variety of risks, including credit risk, liquidity risk, strategic risk, and operational risk. The Board believes an effective risk management system will (1) timely identify the material risks that we face, (2) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant Board committee, (3) implement appropriate and responsive risk management strategies consistent with the our risk profile, and (4) integrate risk management into our decision-making. The Board encourages and management promotes a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations. The Board also continually works, with the input of our management and executive officers, to assess and analyze the most likely areas of future risk for us.

## Communications with Directors

The Board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the Board, or the non-management directors as a group, any Board committee or any chair of any such committee by mail or electronically. To communicate with the Board, any individual director or any group or committee of directors, correspondence should be addressed to the Board or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent to c/o Corporate Secretary, Manhattan Bridge Capital, Inc., 60 Cutter Mill Road, Great Neck, New York 11021.

All communications received as set forth in the preceding paragraph will be opened by the Secretary of the Company for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the Board will be forwarded promptly to the addressee. In the case of communications to the Board or any group or committee of directors, the Company Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope or e-mail is addressed.

## COMPENSATION OF DIRECTORS

Non-employee directors are granted, upon becoming a director, and renewal of director term, options to purchase 7,000 Common Shares at an exercise price equal to the fair market value per Common Share on the date of grant. Such options vest immediately upon grant and expire after five years. They also receive cash compensation of \$600 per Board meeting attended and \$300 for any other committee participation. ### Employment Contract

In March 1999, we entered into an employment agreement with Assaf Ran, our President and Chief Executive Officer pursuant to which: (i) Mr. Ran’s employment term renews automatically on June 30<sup>th</sup> of each year for successive one-year periods unless either party gives to the other written notice at least 180 days prior to June 30<sup>th</sup> of its intention to terminate the agreement; (ii) Mr. Ran receives an annual base salary of \$225,000 and annual bonuses as determined by the Compensation Committee of the Board, in its sole and absolute discretion, and is eligible to participate in all executive benefit plans established and maintained by us; and (iii) Mr. Ran agreed to a one-year non-competition period following the termination of his employment.

### Restricted Stock Grant

On September 9, 2011, upon stockholders approval at the annual meeting, we granted 1,000,000 shares of restricted Common Stock (the “Restricted Shares”) to Mr. Ran. Under the terms of the restricted shares agreement (the “Restricted Shares Agreement”), Mr. Ran agreed to forfeit options held by him exercisable for an aggregate of 280,000 Common Shares with exercise prices above \$1.21 per share and agreed not to exercise additional options held by him for an aggregate of 210,000 Common Shares with exercise prices below \$1.21 per share (the “Remaining Options”). Until their expiration, Mr. Ran will be required to forfeit approximately 4.76 Restricted Shares for each Common Share issued upon any exercise of the Remaining Options. In addition, Mr. Ran may not sell, convey, transfer, pledge, encumber or otherwise dispose of the Restricted Shares until the earliest to occur of the following: (i) September 9, 2026, with respect to 1/3 of the Restricted Shares, September 9, 2027 with respect to an additional 1/3 of the Restricted Shares and September 9, 2028 with respect to the final 1/3 of the Restricted Shares; (ii) the date on which Mr. Ran’s employment is terminated by us for any reason other than for “Cause” (i.e., misconduct that is materially injurious to us monetarily or otherwise, including engaging in any conduct that constitutes a felony under federal, state or local law); or (iii) the date on which Mr. Ran’s employment is terminated on account of (A) his death; or (B) his disability, which, in the opinion of his personal physician and a physician selected by us prevents him from being employed with us on a full-time basis (each such date being referred to as a “Risk Termination Date”). If at any time prior to a Risk Termination Date Mr. Ran’s employment is terminated by us for Cause or by Mr. Ran voluntarily for any reason other than death or disability, Mr. Ran will forfeit that portion of the Restricted Shares which have not previously vested. Mr. Ran will have the power to vote the Restricted Shares and will be entitled to all dividends payable with respect to the Restricted Shares from the date the Restricted Shares are issued.

In connection with the Compensation Committee's approval of the foregoing grant of Restricted Shares, the Compensation Committee consulted with and obtained the concurrence of independent compensation experts and informed Mr. Ran that it had no present intention of continuing its prior practice of annually awarding stock options to Mr. Ran as CEO. Also, Mr. Ran advised the Compensation Committee that he would not seek future stock option grants.

The grant of Restricted Shares was exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended. The stock certificates for the Restricted Shares were imprinted with restrictive legends and are held in escrow until vesting occurs.

### Termination and Change of Control Arrangements

In the event of termination, Mr. Ran does not receive any severance and any non-vested options are automatically forfeited. If at any time prior to a Risk Termination Date Mr. Ran's employment is terminated by us for Cause or by Mr. Ran voluntarily for any reason other than death or disability, Mr. Ran will forfeit that portion of the Restricted Shares which have not previously vested.

### Outstanding Equity Awards at Fiscal Year-End

### Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company’s officers and directors, and persons who own more than 10% of a registered class of the Company’s equity securities to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than ten percent (10%) stockholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the best of the Company's knowledge, based solely on review of the copies of such forms furnished to the Company, or written representations that no other forms were required, the Company believes that all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% stockholders were complied with during the year ended December 31, 2012.

**Proposal No. 3  
ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION**

**General**

We are providing our stockholders with the opportunity to vote to approve, on an advisory and non-binding basis, the compensation of the Named Executive Officer as disclosed in this Proxy Statement in accordance with the SEC's rules. This proposal, which is commonly referred to as "say-on-pay," is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, which added Section 14A to the Securities and Exchange Act of 1934, as amended (the "*Exchange Act*"). Section 14A of the Exchange Act also requires that stockholders have the opportunity to cast an advisory vote with respect to whether future executive compensation advisory votes will be held every one, two or three years, which is the subject of Proposal No. 4.

The Compensation Committee reviews and recommends the compensation and benefits payable to our officers, reviews general policy matters relating to employee compensation and benefits, and administers our stock option plans and other incentive compensation arrangements. We do not currently engage any consultant to advise on executive and/or director compensation matters.

As an advisory vote, this proposal is not binding. Neither the outcome of this advisory vote nor of the advisory vote included in Proposal No. 4 overrules any decision by the Company or the Board (or any committee thereof), creates or implies any change to the fiduciary duties of the Company or the Board (or any committee thereof), or creates or implies any additional fiduciary duties for the Company or the Board (or any committee thereof). However, management and the Compensation Committee and Board value the opinions expressed by our stockholders in their vote on this proposal and will consider the outcome of the vote when making future executive compensation decisions.

**OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE “FOR” THE  
FOLLOWING ADVISORY RESOLUTION:**

**RESOLVED**, that the compensation paid to the Named Executive Officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the disclosure under the compensation tables and accompanying narrative disclosure, and any related material disclosed in this Proxy Statement, is hereby approved.

**The Board recommends a vote FOR this proposal  
and proxies that are signed and returned will be so voted  
unless otherwise instructed**

\* \* \* \* \*

**Proposal No. 4  
ADVISORY VOTE ON THE FREQUENCY OF FUTURE EXECUTIVE COMPENSATION  
ADVISORY VOTES**

**General**

In Proposal No. 3, we are providing our stockholders the opportunity to vote to approve, on an advisory and non-binding basis, the compensation of the Named Executive Officer. In this Proposal No. 4, we are asking our stockholders to cast a non-binding advisory vote regarding the frequency of future executive compensation advisory votes. Stockholders may vote for a frequency of every one, two, or three years, or may abstain.

The Board will take into consideration the outcome of this vote in making a determination about the frequency of future executive compensation advisory votes. However, because this vote is advisory and non-binding, the Board may decide that it is in the best interests of our stockholders and the Company to hold the advisory vote to approve executive compensation more or less frequently, but no less frequently than once every three years, as required by the Dodd-Frank Act. In the future, we will propose an advisory vote on the frequency of the executive compensation advisory vote at least once every six calendar years as required by the Dodd-Frank Act.

After careful consideration, the Board believes that an executive compensation advisory vote should be held every three years, and therefore our Board recommends that you vote for a frequency of every THREE YEARS for future executive compensation advisory votes. The proxy card provides stockholders with the opportunity to choose among four options (holding the vote once every year, every two years or every three years, or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the recommendation of the Board.

**The Board recommends a vote FOR the holding of an advisory vote on executive compensation  
every “three years” and proxies that are signed and returned will be  
so voted unless otherwise instructed**
