ITEM 4.01 CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT.

Our former accountant, Harris & Gillespie CPA'S, PLLC (the "Former Accountant") was deregistered per PCAOB Release No. 105-2015-011. As a result of the transaction, the Former Accountant resigned as the Company's independent registered public accounting firm and the Company engaged Michael Gillespie & Associates, PLLC (the "New Accountant") as the Company's independent registered public accounting firm. The engagement of the New Accountant was approved by the Company's Board of Directors.

The Former Accountant's audit report on the financial statements of the Company for the fiscal year ended June 30, 2014 contained no adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles, except that the audit report on the financial statements of the Company for the fiscal year ended June 30, 2014 contained an uncertainty about the Company's ability to continue as a going concern.

During the Company's most recent fiscal year, the subsequent interim period thereto, and through August 14, 2015, there were no "disagreements" (as such term is defined in Item 304 of Regulation S-K) with the Former Accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements if not resolved to the satisfaction of the Former Accountant would have caused them to make reference thereto in their reports on the financial statements for such periods.

During the Company's most recent fiscal year, the subsequent interim period thereto, and through August 14, 2015, there were no "reportable events" (as such term is defined in Item 304 of Regulation S-K).

Prior to retaining the New Accountant, the Company did not consult with the New Accountant regarding either: (i) the application of accounting principles to a specified transaction, either contemplated or proposed, or the type of audit opinion that might be rendered on the Company's financial statements; or (ii) any matter that was the subject of a "disagreement" or a "reportable event" (as those terms are defined in Item 304 of Regulation S-K).

The Company attempted to provide the Former Accountant with its disclosures in the Current Report on Form 8-K disclosing the dismissal of the Former Accountant and requested in writing that the Former Accountant furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether or not they agree with such disclosures. The Former Accountant's entity has dissolved and is no longer in existence and therefore is unable to provide a consent letter.
