### **Item 1.01 Entry into a Material Definitive Agreement**

On March 31, 2017, Q2Power Technologies Inc. (the “Company” or “Q2P”) closed the initial \$1,000,000 in its Convertible Promissory Note “Bridge” offering (the “Offering”). The total size of the Offering is \$1,500,000, with an additional \$500,000 over-allotment option at the Company’s discretion.

The Convertible Promissory Notes (the “Notes”) convert at a 50% discount to the post-funding valuation of the Company at the closing of its next offering in the minimum amount of \$5,000,000 (the “Equity Offering”). The conversion valuation has a ceiling of \$12,000,000, and a “floor” company value of \$6,000,000 in the event there is no Equity Offering before the Notes are able to be converted.

The Notes convert into common stock, or preferred stock if received by investors in the Equity Offering, commencing on the soonest of the Equity Offering closing or December 31, 2017, at the discretion of the holder. Maturity is 36 months from issuance with 15% annual interest which will be capitalized each year into the principal of the Notes and paid in kind. There are no warrants issued in connection with the Offering.

Funds from the Offering will be used to secure acquisitions of compost and soil companies with closings expected to occur concurrently with the closing of the Equity Offering, and up to 12 months of operating capital. A limited portion of the funds will also be used to eliminate liabilities on the Company’s balance sheet.

As provided in the Offering as of the initial closing date, the Company settled or restructured approximately \$1,000,000 in balance sheet liabilities. Included in the debt restructuring, the Company issued approximately 1.6 million shares of restricted common stock to eliminate \$240,000 in payables; renegotiated its pre-existing convertible notes to extend the maturity date to July 31, 2017, set the conversion price at \$0.15 (not counted in the new shares issued), and waive any defaults; and amended its existing term loan to extend the maturity date to December 31, 2017, and waive all defaults.

The Offering was led by two accredited investors, and joined by 19 additional accredited investors which included the Company’s Directors. Management conducted the Offering and no broker fees were paid in connection with the initial closing.

All securities issued in the Offering and debt settlements were issued pursuant to an exemption from registration under Section 4(a)(2) under the Securities Act of 1933.

Securities issued in the Offering and in connection with the liability settlements have not been nor will be registered under the Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.

## SUBSCRIPTION AGREEMENT

This Subscription Agreement (the “ **Subscription Agreement** ”) is entered into by and between Q2Power Technologies, Inc., a Delaware corporation (the “ **Company** ” or “ **Q2P** ”), and the Subscriber(s) whose name appears on the signature page to this Subscription Agreement (the “ **Subscriber** ” and, together with other subscribers to the Offering (as hereinafter defined), “ **Investors** ”). Capitalized terms used but not defined herein shall have the meanings set forth in Convertible Promissory Note.

This Subscription Agreement is executed and delivered in connection with the offering (the “ **Offering** ”) of up to \$1,500,000 (not including the over-allotment) of convertible debentures (the “ **Convertible Debentures** ”). The Convertible Debentures and shares of preferred or common stock, as applicable, issuable upon conversion of the Convertible Debentures (the “ **Debenture Shares** ”) are collectively referred to as the “ **Securities** .”

The Convertible Debentures are being offered to prospective Investors by the Company and by such other persons as may be permitted by law. The terms of the Offering and the Securities are more fully described in the Confidential Private Placement Memorandum dated March 15, 2017 (the “ **Memorandum** ”). The Company is offering the Convertible Debentures for sale on the terms described in the Memorandum on a “best efforts all or none basis” for the first \$1,000,000 (the “ **Minimum Amount** ”) and a “best efforts” basis for the remaining \$500,000 (the “ **Maximum Amount** ”) (plus an over-allotment option in the discretion of the Company of an additional \$500,000 if the Maximum Amount is raised by the termination date) until all of the Convertible Debentures are sold or the Offering is withdrawn or terminated, whichever occurs first.

All subscription proceeds, including the purchase price for the Convertible Debentures being tendered by Subscriber contemporaneously herewith, will be held in escrow by Dickinson Wright PLLC (the “ **Escrow Agent** ”) pursuant to an escrow agreement (the “ **Escrow Agreement** ”) among the Company and the Escrow Agent; and will be disbursed from escrow at one or more closings to be held from time to time provided that no Closing (as defined below) will occur until at least such time as the Escrow Agent has gross proceeds of at least the Minimum Amount. The Escrow Agent has been appointed for administrative convenience in connection with the remittance and delivery of subscription proceeds and related documentation. Investors will not be a party to the Escrow Agreement and the consent of Investors will not be required prior to disbursement of subscription proceeds from escrow.

This Subscription Agreement and the Qualified Investor Questionnaire (the “ **Questionnaire** ”) are exhibits to the Memorandum and, together with the Convertible Promissory Note entered into by and between Subscriber and the Company as of the date hereof, are collectively referred to as the “ **Transaction Documents** ”).

3. Subscriber herewith delivers to the Company a completed and signed Subscription Agreement and a completed and signed Questionnaire for the purchase of the Convertible Debentures.

The purchase price for the Convertible Debentures submitted to the Escrow Agent will be held for the Subscriber’s benefit. Subscriber will not become a holder of Convertible Debentures until such time as Subscriber’s subscription is accepted by the Company and a closing of the purchase and sale of the Convertible Debentures being subscribed for by Subscriber takes place (a “**Closing**”). Until such time as Subscriber’s subscription is accepted or rejected, as the case may be, this subscription shall be irrevocable, except as provided below, and Subscriber will not have access to his, her or its subscription funds.

**B. Securities offered have not been registered under the Securities Act of 1933, as amended**

Subscriber acknowledges that (i) the Securities have not been registered under the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder (the “**Securities Act**”), or the securities laws of any state; (ii) absent registration, any resale or other transfer of any of the Securities must be made in compliance with the Securities Act; (iii) the Securities are being offered for sale in reliance upon exemptions from registration contained in the Securities Act and applicable state securities laws; and (iv) the Company’s reliance upon such exemption is based in part upon Subscriber’s representations, warranties and agreements contained in this Subscription Agreement and in the Questionnaire that Subscriber is delivering to the Company.

## C. Representations, Warranties, Acknowledgements and Agreements

1. In order to induce the Company to accept this Subscription Agreement, Subscriber represents and warrants to, and acknowledges and covenants with, the Company as follows:

a. Subscriber understands that (i) this Subscription Agreement may be accepted or rejected in whole or in part by the Company in its sole and absolute discretion, and (ii) this Subscription Agreement shall survive Subscriber's death, disability or insolvency, except that Subscriber shall have no obligation in the event that this Subscription Agreement is rejected by the Company. In the event that the Company does not accept Subscriber's subscription, or if the Offering is terminated for any reason, Subscriber's subscription payment (or portion thereof, as the case may be) will be immediately returned to Subscriber without interest thereon or deduction therefrom.

b. Subscriber has carefully read the Memorandum and the exhibits thereto, and together with the Memorandum and the Transaction Documents, collectively, the "**Offering Materials**"). Subscriber has been advised to discuss with his, her, or its counsel the representations, warranties and agreements which Subscriber is making by signing this Subscription Agreement, the applicable limitations upon Subscriber's resale of the Securities, and the investment, tax and legal consequences of this Subscription Agreement. No oral or written representations have been made and no oral or written information has been furnished to the Subscriber or Subscriber's advisor(s) in connection herewith that were in any way inconsistent with the information set forth in the Offering Materials, and Subscriber disclaims reliance on any statements made or information provided by the Company or any of its employees, counsel or agents or any other person or entity in the course of Subscriber's consideration of an investment in the Convertible Debentures other than those set forth in the Offering Materials.

c. Subscriber understands that no federal or state agency has made any finding or determination regarding the fairness of the Offering, or any recommendation or endorsement of the Securities, the terms of this Offering or the adequacy of the Offering Materials.

d. Subscriber is purchasing the Convertible Debentures for Subscriber's own account, with the intention of holding the Convertible Debentures for investment purposes, with no present intention of dividing or allowing others to participate in this investment or of reselling or otherwise participating, directly or indirectly, in a distribution of the Securities; and Subscriber agrees not to make any sale, transfer or other disposition of any of the Securities without registration under the Securities Act and applicable state and provincial securities laws unless counsel acceptable to the Company is of the opinion that such registration is not required. Subscriber is not acquiring the Securities, or any interest therein, on behalf of another person and Subscriber, if an entity, was not formed for the purpose of purchasing the Convertible Debentures.

e. Subscriber's overall commitment to investments which are not readily marketable is not disproportionate to Subscriber's net worth, and Subscriber's investment in the Convertible Debentures will not cause such overall commitment to become excessive.

f. Subscriber, if an individual, has adequate means of providing for his or her current needs and personal and family contingencies and has no need for liquidity in his or her investment in the Convertible Debentures.

g. Subscriber is an “accredited investor” as that term is defined in Rule 501(a) under Regulation D promulgated by the SEC under the Securities Act. In addition, Subscriber is financially able to bear the economic risk of this investment, including the ability to hold the Securities for an indefinite period and can afford to sustain a complete loss of this investment.

h. The address shown on the signature page to this Subscription Agreement is Subscriber’s principal residence if he or she is an individual, or its principal business address if a corporation or other entity.

i. Subscriber, together with any offeree representatives of Subscriber (as identified in the Questionnaire), has such knowledge and experience in financial business matters as to be capable of evaluating the merits and risks of an investment in the Securities. Subscriber acknowledges that the Offering Materials may not contain all information that is necessary to make an investment decision with respect to the Company and the Convertible Debentures and that Subscriber must rely on his, her or its own examination of the Company and the terms and conditions of the Offering prior to making any investment decision with respect to the Convertible Debentures.

j. Subscriber has been given the opportunity to ask questions of and receive answers from the Company and its executive officers concerning the business and operations of the Company and the terms, provisions, and conditions of the Offering and to obtain any such additional publicly available information that Subscriber deems necessary or advisable to verify the accuracy of the information contained in the Offering Materials, or such other information as Subscriber desired in order to evaluate an investment in the Company; and Subscriber availed himself, herself or itself of such opportunity to the extent considered appropriate in order to evaluate the merits and risks of the proposed investment.

k. Subscriber has made an independent evaluation of the merits of the investment and acknowledges the highly speculative nature of an investment in the Convertible Debentures including, without limitation, the information under “Risk Factors” in the Memorandum.

l. The information provided by Subscriber in the Questionnaire is true, complete and accurate and Subscriber has duly executed and delivered such Questionnaire and any applicable exhibits thereto.

m. Subscriber has taken no action that would give rise to any claim by any person for brokerage commissions, finders’ fees or the like relating to this Subscription Agreement or the transactions contemplated hereby.

n. Subscriber understands that the Securities will bear a legend substantially similar to the legend set forth immediately below until (i) such Securities shall have been registered under the Securities Act

and effectively disposed of in accordance with a registration statement, or (ii) in the opinion of counsel reasonably satisfactory to the Company such securities may be sold without registration under the Securities Act:

*“These securities have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), or the “blue sky” or securities laws of any state and may not be offered, sold, pledged, hypothecated, assigned or transferred except (i) pursuant to a registration statement under the Securities Act which has become effective and is current with respect to these securities, or (ii) pursuant to a specific exemption from registration under the Securities Act but only upon a holder thereof first having obtained the written opinion of counsel reasonably satisfactory to the Company, that the proposed disposition is consistent with all applicable provisions of the Securities Act as well as any applicable “blue sky” or similar securities laws.”*

o. Subscriber, if an individual, is at least 21 years of age.

p. If at any time prior to issuance of the Securities to Subscriber, any representation or warranty of Subscriber shall no longer be true, complete and accurate, Subscriber promptly shall give written notice thereof to the Company providing full details.

q. The Subscriber represents that the amounts invested by it in the Company in the Offering were not and are not directly or indirectly derived from activities that contravene federal, state or international laws and regulations, including anti-money laundering laws and regulations. Federal regulations and Executive Orders administered by OFAC prohibit, among other things, the engagement in transactions with, and the provision of services to, certain foreign countries, territories, entities and individuals. The lists of OFAC prohibited countries, territories, persons and entities can be found on the OFAC website at <<http://www.treas.gov/ofac>>. In addition, the programs administered by OFAC (the “**OFAC Programs**”) prohibit dealing with individuals or entities in certain countries regardless of whether such individuals or entities appear on the OFAC lists.

r. Notwithstanding the place where this Subscription Agreement may be executed by any of the parties hereto, all of the terms, provisions, and conditions hereof shall be construed in accordance with and governed by the laws of the State of Florida, without giving effect to its conflict of laws principles. Any dispute arising out of or in connection with the interpretation or enforcement of this Subscription Agreement, the other Offering Materials or Subscriber’s purchase of the Convertible Debentures shall be exclusively adjudicated before a federal or state court located in Fort Lauderdale, Florida and the parties hereto exclusively submit to the exclusive jurisdiction and venue of the federal and state courts in Fort Lauderdale, Florida with respect to any action or legal proceeding commenced by any party, and irrevocably waive any objection they now or hereafter may have respecting the venue of any action or proceeding brought in such a court or respecting the fact that such court is an inconvenient forum and Subscriber consents to the service of process in any such action or legal proceeding by means of

registered or certified mail, return receipt requested, in care of the address set forth below or such other address as Subscriber shall furnish in writing to the Company.

s. Subscriber hereby irrevocably waives trial by jury in any action or proceeding involving, directly or indirectly, any matter (whether sounding in tort, contract, fraud or otherwise) in any way arising out of or in connection with the interpretation or enforcement of this Subscription Agreement, the other Offering Materials or Subscriber's purchase of the Convertible Debentures.

t. Subscriber acknowledges that he, she or it understands the meaning and legal consequences of the representations, warranties and acknowledgments contained in this Subscription Agreement and in the Questionnaire, and hereby agrees to indemnify and hold harmless the Company, and each of its stockholders, officers, directors, affiliates, controlling persons, agents and representatives, from and against any and all loss, damage, expense, claim, action, suit or proceeding (including the reasonable fees and expenses of legal counsel) as incurred arising out of or in any manner whatsoever connected with (i) a breach of any representation or warranty of Subscriber contained in this Subscription Agreement or in the Questionnaire (ii) any sale or distribution by Subscriber in violation of the Securities Act or any applicable state and foreign securities laws or (iii) any untrue statement of a material fact made by Subscriber and contained herein or in the Questionnaire, or omission to state herein or in the Questionnaire, a material fact necessary in order to make the statements contained herein or in the Questionnaire, in light of the circumstances under which they were made, not misleading. Subscriber acknowledges that such damage could be substantial since (a) the Securities are being offered without registration under the Securities Act in reliance upon the exemption pursuant to Section 4(a)(2) and/or Regulation D of the Securities Act for transactions by an issuer not involving a public offering and, in various states, pursuant to exemptions from registration, (b) the availability of such exemptions is, in part, dependent upon the truthfulness and accuracy of the representations made by Subscriber herein and in its Questionnaire, and (c) the Company will rely on such representations in accepting Subscriber's Subscription Agreement.

u. Subscriber is not subscribing for the Convertible Debentures as a result of or subsequent to any advertisement, article, notice or other communication published in any newspaper, magazine or similar media or broadcast over television or radio, any seminar or meeting, or any solicitation of a subscription by a person not previously known to Subscriber in connection with investments in securities generally.

v. Subscriber is not affiliated directly or indirectly with a member broker-dealer firm of the Financial Industry Regulatory Authority (" **FINRA** ") as an employee, officer, director, partner or shareholder or as a relative or member of the same household of an employee, director, partner or shareholder of a FINRA member broker-dealer firm, except as otherwise described on a separate sheet of paper submitted by Subscriber to the Company along with and as part of this completed Subscription Agreement.

w. Subscriber represents that he, she or it has full power and authority (corporate, statutory or otherwise) to execute and deliver this Subscription Agreement, the other Transaction Documents and to purchase the Convertible Debentures. The execution, delivery and performance of this Subscription Agreement and the other Transaction Documents will not: (i)

violate, conflict with or result in a default under any provision of the Certificate or By-Laws (or analogous organizational documents), if any, of Subscriber; or (ii) violate or result in a violation of, or constitute a default (whether after the giving of notice, lapse of time or both) under, any provision of any law, regulation or rule, or any order of, or any restriction imposed by any court or other governmental agency applicable to Subscriber. This Subscription Agreement and other Transaction Documents constitute the legal, valid and binding obligation of Subscriber, enforceable against Subscriber in accordance with their respective terms except to the extent that enforceability may be limited by applicable bankruptcy, insolvency or similar laws affecting the enforcement of creditors' rights generally and subject to general principles of equity (regardless of whether such enforcement is considered in a proceeding at law or at equity).

2. In order to induce Subscriber to execute and deliver this Subscription Agreement, the Company represents and warrants to, and covenants with, Subscriber as follows:

a. Subsidiaries. The Company has one Subsidiary as of the date hereof, Q2Power Corp., as set forth in the Company's filings with the Securities and Exchange Commission (the "**SEC Documents**"). The Company owns 100% of the Subsidiary and such ownership interest is, other than set out in **Schedule 2(a)**, free and clear of any liens, and all of the issued and outstanding shares of capital stock of the Subsidiary are validly issued, fully paid and non-assessable and free of preemptive and similar rights to purchase securities. Neither the Company nor the Subsidiary are subject to any obligation (contingent or otherwise) to repurchase or otherwise acquire or retire any shares of the capital stock of the Subsidiary or any convertible securities, rights, warrants or options of the type described in the preceding sentence, except as set forth in **Schedule 2(a)**. Neither the Company nor any Subsidiary is party to, nor has any knowledge of, any agreement restricting the voting or transfer of any shares of the capital stock of any Subsidiary.

b. Organization and Qualification. Each of the Company and the Subsidiary is an entity duly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, and has the requisite power and authority to own and use its properties and assets and to carry on its business as currently conducted and contemplated to be conducted. Each of the Company and the Subsidiary is duly qualified to conduct business and is in good standing as a foreign corporation or other entity in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, would not have or reasonably be expected to result in a material adverse effect on the business financial condition, operations, prospects or property of the Company or the Subsidiary, taken as a whole ("**Material Adverse Effect**"), and no proceeding has been initiated in any such jurisdiction revoking, limiting or curtailing or seeking to revoke, limit or curtail such power and authority or qualification.

c. Authorization; Enforcement. The Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by each of the Transaction Documents and otherwise to carry out its obligations hereunder and thereunder. The execution and delivery of each of the Transaction Documents by the Company and the consummation by it of the transactions contemplated hereby and thereby have been duly

authorized by all necessary action on the part of the Company and no further action is required by the Company, the board of directors of the Company or the Company's stockholders in connection therewith, other than in connection with the Required Approvals (as defined herein). Each Transaction Document to which it is a party has been (or upon delivery will have been) duly executed by the Company and, when delivered in accordance with the terms hereof and thereof, will constitute the valid and binding obligation of the Company, enforceable against the Company in accordance with its terms, except: (i) as may be limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally and (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies.

d. No Conflicts. The execution, delivery and performance by the Company of the Transaction Documents, the issuance and sale of the Securities and the consummation by it of the transactions contemplated hereby and thereby to which it is a party do not and will not: (i) conflict with or violate any provision of the Company's or the Subsidiary's certificate or articles of incorporation, bylaws or other organizational or charter documents, (ii) conflict with, or constitute a default (or an event that with notice or lapse of time or both would become a default) under, result in the creation of any lien upon any of the properties or assets of the Company or the Subsidiary, or give to others any rights of termination, amendment, acceleration or cancellation (with or without notice, lapse of time or both) of, any agreement, credit facility, debt or other instrument (evidencing a Company or Subsidiary debt or otherwise) or other understanding to which the Company or the Subsidiary is a party or by which any property or asset of the Company or the Subsidiary is bound or affected, or (iii) subject to the Required Approvals, conflict with or result in a violation of any law, rule, regulation, order, judgment, injunction, decree or other restriction of any court or governmental authority to which the Company or the Subsidiary is subject (including federal and state securities laws and regulations), or by which any property or asset of the Company or a Subsidiary is bound or affected, which would have a material adverse effect on the Company.

e. Filings, Consents and Approvals. Neither the Company nor the Subsidiary is required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority or other person in connection with the execution, delivery and performance by the Company of the Transaction Documents, other than the filing of a Current Report on Form 8-K and a Form D with the Securities and Exchange Commission (the "**Commission**") and such filings as are required to be made under applicable state and foreign securities laws (the "**Required Approvals**").

f. Issuance of the Securities. The Convertible Debentures are duly authorized and, when issued and paid for in accordance with the terms of the applicable Transaction Documents, will be duly and validly issued, fully paid and non-assessable, and free and clear of all liens other than restrictions on transfer provided for in the Transaction Documents. The Debenture Shares, upon the conversion of the Convertible Debenture, subject to stockholder approval of an increase in the Company's authorized capitalization, to the extent necessary, when issued and paid for in accordance with the terms of the applicable Transaction Documents, will be duly authorized and

duly and validly issued, fully paid and non-assessable, and free and clear of all liens other than restrictions provided for in the Transaction Documents. The Company has reserved from its duly authorized capital stock, such number of securities for issuance upon conversion or exercise of the Convertible Debentures.

g. Capitalization; Additional Issuances. All of the issued and outstanding securities of the Company as of the date hereof are as set forth in **Schedule 2(g)**. Except as set forth in **Schedule 2(g)**, as of the date hereof, there are no outstanding agreements or preemptive or similar rights affecting the issuance of the Convertible Debentures that have not previously been waived, and there are no outstanding rights, warrants or options to acquire, or instruments convertible into or exchangeable for, or agreements or understandings with respect to the sale or issuance of, the Convertible Debentures.

h. Litigation. There are no actions or proceedings pending or, to the knowledge of the Company, threatened by or against Company or any of its Subsidiaries involving more than, individually or in the aggregate, Ten Thousand Dollars (\$10,000). There is no action, suit, proceeding or investigation pending or, to the knowledge of the Company, threatened against or affecting the Company before or by any court, arbitrator, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) (collectively, an “ **Action** ”) which (i) adversely affects or challenges the legality, validity or enforceability of any of the Transaction Documents or the issuance of the Securities or (ii) could, if there were an unfavorable decision, have or reasonably be expected to result in a Material Adverse Effect. Neither the Company nor any Subsidiary nor any director or officer of either thereof, is or has been the subject of any Action involving a claim of violation of or liability under federal or state securities laws or a claim of breach of fiduciary duty. There has not been, and to the knowledge of the Company, there is not pending or contemplated, any investigation by the Commission involving the Company or any Subsidiary or any current director or executive officer of the Company or any Subsidiary.

i. Regulatory Permits. Each of the Company and the Subsidiary possess all certificates, authorizations and permits issued by the appropriate federal, state, local or foreign regulatory authorities necessary to conduct their respective businesses as currently conducted or as contemplated to be conducted, except where the failure to possess such permits could not reasonably be expected to result in a Material Adverse Effect (“ **Material Permits** ”), and neither the Company nor the Subsidiary has received any notice of proceedings relating to the revocation or modification of any Material Permit.

j. SEC Reports; Financial Statements. Except as disclosed on **Schedule 2(j)**, the Company has filed all reports required to be filed by it under the Securities Act and the Exchange Act, including pursuant to Section 13(a) or 15(d) thereof (the foregoing materials being collectively referenced to as the “ **SEC Reports** ”). As of their respective dates or amendments thereto, the SEC Reports complied in all material respects with the requirements of the Securities Act and the Exchange Act and the rules and regulations of the Commission promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

The financial statements of the Company included in the SEC Reports comply in all material respects with the rules and regulations of the Commission with respect thereto as in effect at the time of filing. Such financial statements have been prepared in accordance with U.S. GAAP, except as may be otherwise specified in such financial statements or the notes thereto and except that unaudited financial statements may not contain all footnotes required by U.S. GAAP, and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, immaterial, year-end audit adjustments.

k. Private Placement. Assuming the accuracy of the Investors' representations and warranties set forth herein, no registration under the Securities Act is required for the offer and sale of the Securities by the Company to the Investors as contemplated hereby.

l. No General Solicitation. Neither the Company nor any person acting on behalf of the Company has offered or sold any of the Securities by any form of general solicitation or general advertising. The Company has offered the Securities for sale only to Investors.

m. Acknowledgment Regarding the Investors' Purchase of Securities. The Company acknowledges and agrees that each Investor is acting solely in the capacity of an arm's length Investor with respect to the Transaction Documents and the transactions contemplated thereby. The Company further acknowledges that no Investor is acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to the Transaction Documents and the transactions contemplated thereby and any advice given by any Investor or any of its representatives or agents in connection with the Transaction Documents and the transactions contemplated thereby is merely incidental to such Investor's purchase of the Securities. The Company further represents to each Investor that the Company's decision to enter into this Agreement has been based solely on the independent evaluation of the transactions contemplated hereby by the Company and its representatives.

n. Compliance. Neither the Company nor any Subsidiary: (i) is in violation of any order of any court, arbitrator or governmental body or (ii) is or has been in violation of any statute, rule or regulation of any governmental authority, including without limitation all foreign, federal, state and local laws applicable to its business, except in each case as could not have or reasonably be expected to result in a material liability.

o. Transactions With Affiliates and Employees. Except as may be described in the SEC Documents or on **Schedule 2(o)**, none of the officers or directors of the Company or the Subsidiary and, to the knowledge of the Company, none of the employees of the Company or the Subsidiary, is presently a party to any transaction with the Company or the Subsidiary (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of the Company, any entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee or partner, in each case in excess of \$25,000, other than for: (i) payment of salary or consulting fees for services rendered, (ii) reimbursement for expenses incurred in the ordinary course of business on behalf

of the Company and (iii) other employee benefits, including stock option agreements, under any stock option plan of the Company.

p. Certain Fees. #### **D. Registration Rights**

a. Whenever the Company proposes to register (including, for this purpose, a registration effected by the Company for other shareholders) any of its securities under the Securities Act (other than pursuant to a registration statement on Form S-4 or S-8 or any successor forms thereto), and the registration form to be used may be used for the registration of registrable securities (a "**Piggyback Registration**"), the Company will give written notice to the Investor of its intention to effect such a registration and will, subject to the provisions of this section hereof, include in such registration all registrable securities (the shares of preferred or common stock underlying the Convertible Debentures) with respect to which the Company has received a written request for inclusion therein within ten (10) days after the receipt of the Company's notice. Such rights for Piggyback Registration shall not apply if Rule 144 of the Securities Act is

available to the Investor for resale of the shares of preferred or common stock underlying the Convertible Debentures.

b. If a Piggyback Registration is an underwritten secondary registration on behalf of holders of the Company's securities, and the managing underwriters advise the Company in writing that in their opinion the number of securities requested to be included in such registration exceeds the number which can be sold in such offering without adversely affecting the marketability of the offering, the Company will include in such registration a pro rata share of registrable securities requested to be included in such registration statement as calculated by dividing the number of registrable securities requested to be included in such registration statement by the number of the Company's securities requested to be included in such registration statement by all selling security holders. In such event, the Investor shall continue to have registration rights under this Agreement with respect to any registrable securities not so included in such registration statement.

c. Notwithstanding the foregoing, if, at any time after giving a notice of Piggyback Registration and prior to the effective date of the registration statement filed in connection with such registration, the Company shall determine for any reason not to register or to delay registration of such securities, the Company may, at its election, give written notice of such determination to each record holder of registrable securities and, following such notice, (i) in the case of a determination not to register, shall be relieved of its obligation to register any registrable securities in connection with such registration, and (ii) in the case of determination to delay registering, shall be permitted to delay registering any registrable securities for the same period as the delay in registering such other securities.

d. If the Company engages in an underwritten offering of its securities at such time that Piggyback Registration rights are not available to Investors for any reason set forth in this Section D (i.e., Rule 144 is available), and if the Company's underwriter requires that Investors agree to a reasonable limited time lock-up period, the Investors shall sign such an agreement as negotiated by the [Lead Investor] in this Offering (defined as the investor or investor group that has committed to investing and actually invests a minimum of \$750,000 in this Offering). Those Investors who refuse to sign such a lock-up agreement shall waive by virtue of signing this Subscription Agreement any legal or equitable claims they may have against the Company if the Company refuses to allow, or instructs the Transfer Agent not to effect, a conversion of the Convertible Debentures during this lock-up period.

e. The Lead Investor shall appoint one member and one observer to the Board of Directors of the Company subject to the following conditions: (1) the Lead Investors shall have personally and/or through their contacts invested a minimum of \$750,000 in this Offering, unless that minimum is waived by the current Board of Directors, and (2) such Board member appointed by the Lead Investors may be replaced by the appointee of the lead investors in the Qualified Offering, if so required, but the Lead Investor can keep its Board observer role so long as the Lead Investor holds (i) Convertible Debentures representing at least fifty percent (50%) of the Original Principal Amount, or (ii) in the event the Lead Investor converted more than fifty percent (50%) of the Original Principal Amount, at least fifty percent (50%) of the shares of New Stock issued to the Lead Investor upon conversion of the Convertible Debentures.

The Convertible Notes’ convert into common stock at \$0.15 per share, subject to price protection provisions in the instance certain shares are issued at a lower price (including pursuant to the conversion of the Convertible Debentures), and are secured by the Company’s assets. The Convertible Note holders have approved this Offering and waived all pre-emptive rights and any past defaults under their notes.

The Term Note has an unsecured position behind the Convertible Notes.

The Company has 600 shares of Series A Convertible Preferred Stock (the “Preferred Stock”) outstanding with a purchase value of \$600,000, held by two institutional investors (the same investors as the holders of the Convertible Notes). The Preferred Stock must be redeemed by the Company if not converted prior to the second anniversary of issuance, which is December 20, 2017. The Preferred Stock holders have approved this Offering and waived their pre-emptive investment rights.

### Q2 POWER TECHNOLOGIES, INC.

### CONVERTIBLE PROMISSORY NOTE

Issuance Date: March [ ], 2017

Original Principal Amount: U.S. \$[ ♦ ]

**FOR VALUE RECEIVED**, Q2 Power Technologies, Inc., a Delaware corporation (the “**Company**” or “**Maker**”), hereby promises to pay to the order of [ ] or its registered assigns ( “**Holder**” ) the amount set out above as the Original Principal Amount (as reduced, increased or otherwise adjusted pursuant to the terms hereof pursuant to conversion or otherwise, the “**Principal**” ) when due upon the Maturity Date (as defined below), or otherwise (in each case in accordance with the terms hereof) and to pay interest ( “**Interest**” ) on any outstanding Principal at the applicable Interest Rate from the date set out above as the Issuance Date (the “**Issuance Date**” ) until the same becomes due and payable, whether upon the Maturity Date, acceleration, conversion or otherwise (in each case in accordance with the terms hereof). This Convertible Promissory Note (including any Notes issued in exchange, transfer or replacement hereof solely to the extent permitted in accordance with the terms hereof, this “**Promissory Note**” ) is one of an issue of promissory notes issued pursuant to the Subscription Agreement on the Initial Closing Date (collectively, the “**Other Promissory Notes**” ) and such other Promissory Notes, if any, that shall have been issued pursuant to the Subscription Agreement on one or more Additional Closing Dates, each of which is not the Issuance Date (collectively, the “**Additional Promissory Notes**” and, collectively with the Promissory Note and the Other Promissory Notes, the “**Promissory Notes**” ). Unless specifically stated otherwise, each Holder is acting individually and not as a group or shareholder block. Certain capitalized terms used herein are defined in Section 21 or defined in the Subscription Agreement.

1. PAYMENTS OF PRINCIPAL AND INTEREST. On the third (3<sup>rd</sup>) anniversary of the Initial Closing (the “**Maturity Date**” ), the Company shall, except if elected otherwise by Holder pursuant to Section 3 upon the Maturity Date, pay to the Holder an amount in cash representing

---

all the outstanding Principal, accrued and unpaid Interest and accrued and unpaid late charges on such Principal and Interest (collectively, the “ **Full Note Amount** ”). The Company may not prepay any portion of the Promissory Note without the prior written consent of Holder.

2. INTEREST; INTEREST RATE. (a) Interest on this Promissory Note shall commence accruing on the Issuance Date and shall be computed annually on the basis of a 365-day year for the actual number of days elapsed since the Issuance Date through each Conversion Date (as defined in Section 3(c)(i))(as to the applicable portion of the Full Note Amount then being converted) and through the Maturity Date (as to any portion of the Full Note Amount not previously converted, as applicable) (each, an “ **Interest Conversion Date** ” ). Interest shall compound and capitalize on each of the first (1<sup>st</sup>) and second (2<sup>nd</sup>) anniversaries of the Issuance Date and, in each case, shall be added to the Principal amount then-outstanding at such time.

(b) Interest on this Promissory Note shall accrue at the Interest Rate or the maximum rate permissible by law, whichever is less, and be payable by way of inclusion of the Interest in the Conversion Amount on each Conversion Date or other Interest Conversion Date in accordance herewith. From and after the occurrence and during the continuance of any Event of Default, the Interest Rate shall automatically be increased to eighteen percent (18.0%) or the maximum rate permissible by law, whichever is less. In the event that such Event of Default is subsequently cured, the adjustment referred to in the preceding sentence shall cease to be effective as of the calendar day immediately following the date of such cure; provided that the Interest as calculated and unpaid at such increased rate during the continuance of such Event of Default shall continue to apply to the extent relating to the days after the occurrence of such Event of Default through and including the date of such cure of such Event of Default. The Company shall pay any and all stamp, issuance and similar taxes that may be payable with respect to the issuance and delivery of Interest Shares.

3. CONVERSION OF PROMISSORY NOTE. This Promissory Note shall be convertible into validly issued, fully paid and non-assessable shares of New Stock, on the terms and conditions set forth in this Section 3.

(a) Conversion Right. Subject to the provisions of this Section 3, the Holder shall be entitled to convert up to a maximum of the then-outstanding Full Note Amount into validly issued, fully paid and non-assessable shares of New Stock at the Conversion Price and otherwise in accordance with this Section 3. The conversion may take place wholly or partially with respect to all or any portion of the Full Note Amount at any time (i) upon or after the closing of a Qualified Offering, or (ii) if no Qualified Offering occurs prior to the Maturity Date, on or at any time after December 31, 2017 and before the Maturity Date, in each case in the sole and absolute discretion of the Holder. The Company will give the Holder at least twenty (20) days’ prior written notice of the anticipated closing date of any Qualified Offering (provided that such notice may be waived in writing at the election of the Holder). The Company shall not issue any fraction of a share of New Stock upon any conversion. If the issuance would result in the issuance of a fraction of a share of New Stock, the Company shall round such fraction of a share of New Stock up to the nearest whole share. The Company shall pay any and all stamp, issuance and similar taxes that may be payable with respect to the issuance and delivery of New Stock upon conversion of any Conversion Amount.

(b) Conversion Price. The number of shares of New Stock issuable in respect of, and upon conversion of, any Conversion Amount pursuant to Section 3(a) shall be determined by dividing the Conversion Amount by the Conversion Price. The actual Conversion Price per share shall equal:

The lesser of:

- (1) the sum of (x) the “pre-money” funding valuation of the Company in effect immediately prior to the Qualified Offering PLUS (y) the funding amount actually raised in such Qualified Offering (excluding, for the avoidance of doubt, the Conversion Amount or similar converted amounts in respect of any Promissory Notes or other notes or similar instruments), such sum of (x) and (y) multiplied by fifty percent (50%); and
- (2) the Ceiling (such lesser amount in (1) or (2), as applicable, the “ **Conversion Numerator** ”);

DIVIDED by

- (3) the total number of shares of Common Stock (assuming full conversion, exchange or exercise of all Common Stock Equivalents other than (i) the Promissory Notes and (ii) only if excluded in the Qualified Offering, any common stock warrants and Company long-term incentive and stock options, both having an exercise price greater than the Conversion Price, issued and outstanding immediately following the Qualified Offering on a fully-diluted basis; or if no Qualified Offering has occurred, the total number of shares of Common Stock and Common Stock Equivalents outstanding (excluding the Promissory Notes) at the time of such conversion (the “ **Conversion Denominator** ”).

Notwithstanding the foregoing, in the event that the Holder elects to convert a Conversion Amount into shares of New Stock at any time prior to the consummation of a Qualified Offering, then, for purposes of calculating the number of shares of New Stock issuable upon conversion of such Conversion Amount pursuant to Section 3(a), the Conversion Numerator shall equal \$6,000,000.

(c) Mechanics of Conversion.

(i) Optional Conversion. To convert any Conversion Amount into shares of New Stock on any date (each, a “**Conversion Date**”), the Holder shall deliver, pursuant to Section 20, for receipt by the Company on or prior to 5:30 p.m., New York, New York time on such Conversion Date, a copy of an executed notice of conversion in the form attached hereto as Exhibit I (the “**Conversion Notice**”) to the Company. Conversion hereunder shall have the effect of reducing the then-outstanding Full Note Amount by the applicable Conversion Amount. No later than three (3) Business Days after each Conversion Date (the “**Share Delivery Date**”), Company shall cause to be delivered to the Holder a certificate or certificates representing the New Shares representing the full number of New Shares acquired upon the applicable conversion pursuant to the Conversion Notice.

(ii) Intentionally Left Blank .

(iii) Registration; Book-Entry . The Company shall maintain a register (the “**Register**” ) for the recordation of the names and addresses of the holders of the Promissory Notes and the principal amount of the Promissory Notes held by such holders (the “**Registered Promissory Notes**” ). The entries in the Register shall be conclusive and binding for all purposes absent manifest error. The Company and the holders of the Promissory Notes shall treat each Person whose name is recorded in the Register as the owner of a Promissory Note for all purposes (including, without limitation, the right to receive payments of Principal and Interest thereunder) notwithstanding notice to the contrary (without limiting the Company’s obligations pursuant to this Section 3(c)(iii)). Subject to compliance with applicable securities laws, a Registered Promissory Note may be assigned, transferred or sold in whole or in part only by registration of such assignment or sale on the Register. Upon its receipt of a written request to assign, transfer or sell all or part of any Registered Promissory Note by the holder thereof, the Company shall record the information contained therein in the Register and issue one or more new Registered Promissory Notes in the same aggregate Full Note Amount of the surrendered Registered Promissory Note to the designated assignee or transferee pursuant herewith, provided that if the Company does not so record an assignment, transfer or sale (as the case may be) of all or part of any Registered Promissory Note within five (5) Business Days of its receipt of such a request, then the Register shall be automatically updated to reflect such assignment, transfer or sale (as the case may be). Notwithstanding anything to the contrary set forth in this Section 3, following conversion of any portion of this Promissory Note in accordance with the terms hereof, the Holder shall not be required to physically surrender this Promissory Note to the Company unless (A) the Full Note Amount represented by this Promissory Note is converted (in which event this Promissory Note shall be delivered to the Company following conversion thereof as contemplated by Section 3(c)(i)) or (B) the Holder has provided the Company with prior written notice (which notice may be included in a Conversion Notice) requesting reissuance of this Promissory Note upon physical surrender of this Promissory Note. The Holder and the Company shall maintain records showing the Principal, Interest and late charges converted and/or paid (as the case may be) and the dates of such conversions and/or payments (as the case may be) or shall use such other method, reasonably satisfactory to the Holder and the Company, so as not to require physical surrender of this Promissory Note upon conversion.

(iv) Pro Rata Conversion; Disputes . In the event that the Company receives a Conversion Notice from more than one holder of the Promissory Notes for the same Conversion Date and the Company can convert some, but not all, of such portions of the Promissory Notes submitted for conversion, the Company, subject to Section 3(d), shall convert from each holder of the Promissory Notes electing to convert on such date, a pro rata amount of such holder's portion of the Promissory Notes submitted for conversion based on the principal amount of the Promissory Notes submitted for conversion on such date by such holder relative to the aggregate principal amount of all of the Promissory Notes submitted for conversion on such date. In the event of a dispute as to the number of shares of New Stock issuable to the Holder in connection with a conversion of this

Promissory Note, the Company shall issue to the Holder the number of shares of New Stock not in dispute and resolve such dispute in accordance herewith.

(d) Limitations on Conversions. Notwithstanding anything to the contrary contained in this Promissory Note, this Promissory Note shall not be convertible by the Holder hereof, and the Company shall not affect any conversion of this Promissory Note or otherwise issue any shares of New Stock pursuant hereto, to the extent (but only to the extent) that, after giving effect to such conversion or other share issuance hereunder, the Holder or any of its Affiliates would beneficially own in excess of 9.99% (the “ **Maximum Percentage** ”) of the Common Stock (calculated on an as-converted, fully-diluted basis assuming full conversion or exercise of all Common Stock Equivalents then outstanding other than the Promissory Notes). To the extent the above limitation applies, the determination of whether this Promissory Note shall be convertible (vis-à-vis other convertible, exercisable or exchangeable securities owned by the Holder or any of its Affiliates) and of which such securities shall be convertible, exercisable or exchangeable (as among all such securities owned by the Holder and its Affiliates) shall, subject to the Maximum Percentage limitation, be determined on the basis of the first submission to the Company for conversion, exercise or exchange (as the case may be). No prior inability to convert this Promissory Note, or to issue shares of New Stock, pursuant to this paragraph shall have any effect on the applicability of the provisions of this paragraph with respect to any subsequent determination of convertibility. For purposes of this paragraph, beneficial ownership and all determinations and calculations (including, without limitation, with respect to calculations of percentage ownership) shall be determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the “ **1934 Act** ”) and the rules and regulations promulgated thereunder. The provisions of this paragraph shall be implemented in a manner otherwise than in strict conformity with the terms of this paragraph to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Maximum Percentage limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to the Maximum Percentage limitation. The limitations contained in this paragraph shall apply to a successor Holder of this Promissory Note. The holders of Common Stock shall be third party beneficiaries of this paragraph and the Company may not waive this paragraph without the consent of holders of a majority of its Common Stock. For any reason at any time, upon the written or oral request of the Holder, the Company shall within one (1) Business Day confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding, including by virtue of any prior conversion or exercise of convertible or exercisable securities into Common Stock, including, without limitation, pursuant to this Promissory Note or securities issued pursuant to the Subscription Agreement. By written notice to the Company, any Holder may increase or decrease the Maximum Percentage to any other percentage not in excess of 9.99% specified in such notice; provided that (i) any such increase will not be effective until the 61st day after such notice is delivered to the Company, and (ii) any such increase or decrease will apply only to the Holder sending such notice and not to any other holder of the Promissory Notes.

#### 4. EVENT OF DEFAULT

(a) “**Event of Default**”, wherever used herein, means any one of the following events (whatever the reason and whether it shall be voluntary or involuntary or effected by operation of

law or pursuant to any judgment, decree or order of any court, or any order, rule or regulation of any administrative or governmental body):

(i) any default in the payment of the Principal, or the Interest, as and when the same shall become due and payable, for which there will be no cure period;

(ii) Maker shall fail to observe or perform any obligation or shall breach any term or provision of this Promissory Note and such failure or breach shall not have been remedied within ten (10) Business Days after the date on which notice of such failure or breach shall have been delivered (other than those occurrences described in other provisions of this Section 4 for which a different grace or cure period is specified, or for which no cure period is specified and which constitute immediate Events of Default);

(iii) Maker shall fail to observe or perform any of its material obligations owed to the Holder or any other material covenant, agreement, representation or warranty contained in, or otherwise commit any material breach hereunder or in any other transaction document executed in connection herewith, including the Subscription Agreement, and such failure or breach shall not have been remedied within ten (10) Business Days after the date on which notice of such failure or breach shall have been delivered (other than those occurrences described in other provisions of this Section 4 for which a different grace or cure period is specified, or for which no cure period is specified and which constitute immediate Events of Default);

(iv) Maker shall commence, or there shall be commenced against the Maker, a case under any applicable bankruptcy or insolvency laws as now or hereafter in effect or any successor thereto, or the Maker commences any other proceeding under any reorganization, arrangement, adjustment of debt, relief of debtors, dissolution, insolvency or liquidation or similar law of any jurisdiction whether now or hereafter in effect relating to the Maker, or there is commenced against the Maker any such bankruptcy, insolvency or other proceeding which remains undismissed for a period of sixty (60) days; or Maker is adjudicated insolvent or bankrupt; or any order of relief or other order approving any such case or proceeding is entered; or Maker suffers any appointment of any custodian or the like for it or any substantial part of its property which continues undischarged or unstayed for a period of sixty (60) days; or Maker makes a general assignment for the benefit of creditors; or Maker shall fail to pay, or shall state that it is unable to pay, or shall be unable to pay, its debts generally as they become due; or Maker shall call a meeting of its creditors with a view to arranging a composition, adjustment or restructuring of its debts; or Maker shall by any act or failure to act expressly indicate its consent to, approval of or acquiescence in any of the foregoing; or any corporate or other action is taken by Maker for the purpose of effecting any of the foregoing;

(b) If any Event of Default occurs, the Full Note Amount shall become, at the election of the Holder, immediately due and payable in cash.

(c) The Holder need not provide, and Maker hereby waives, any presentment, demand, protest or other notice of any kind, and the Holder may immediately and without expiration of

any grace period enforce any and all of its rights and remedies hereunder and all other remedies available to it under applicable law. Such declaration may be rescinded and annulled by the Holder at any time prior to payment hereunder. No such rescission or annulment shall affect any subsequent Event of Default or impair any right consequent thereon.

5. INTENTIONALLY LEFT BLANK.

6. COVENANTS. So long as any portion of the Full Note Amount remains outstanding, Maker will not directly or indirectly, without the consent of the Holder:

(a) fail to continue to engage in business of the same general type as now conducted by it and to preserve, renew and keep in full force and effect, its corporate existence and its assets, rights, privileges and franchises to the extent necessary or desirable in the normal conduct of business;

(b) fail to comply in all material respects with all applicable laws, ordinances, rules, regulations, decisions, orders and requirements of governmental authorities;

(c) use the proceeds from the sale of the Promissory Notes for any purpose other than those set forth in the Private Placement Memorandum issued in connection with the sale of the Promissory Notes; or

(d) fail to keep proper books of record and account in which full, true and correct entries are made of all dealings and transactions in relation to its business and activities.

7. ADJUSTMENTS.

(a) Adjustment of Conversion Price upon Subdivision or Combination of Common Stock. Without limiting any provision herewith, if the Company at any time on or after the Issuance Date subdivides (by any stock split, stock dividend, stock combination, recapitalization or other similar transaction) one or more classes of its outstanding shares of Common Stock or other stock into a greater number of shares, the Conversion Price in effect immediately prior to such subdivision will be proportionately reduced. Without limiting any provision herewith, if the Company at any time on or after the Issuance Date combines (by any stock split, stock dividend, stock combination, recapitalization or other similar transaction) one or more classes of its outstanding shares of Common Stock or other stock into a smaller number of shares, the Conversion Price in effect immediately prior to such combination will be proportionately increased. Any adjustment pursuant to this Section 7(a) shall become effective immediately after the effective date of such subdivision or combination. If any event requiring an adjustment under this Section 7(a) occurs during the period that a Conversion Price is calculated hereunder, then the calculation of such Conversion Price shall be adjusted appropriately to reflect such event.

(b) Calculations. All calculations under this Section 7 shall be made by rounding to the nearest cent or the nearest 1/100th of a share, as applicable. The number of shares of Common Stock outstanding at any given time shall not include shares owned or held by or for the account of the Company, and the disposition of any such shares shall be considered an issue or sale of Common Stock.

8. NO WAIVER OF THE HOLDER'S RIGHTS. All payments of Principal and Interest shall be made without setoff, deduction or counterclaim. No delay or failure on the part of the Holder in exercising any of its options, powers or rights, nor any partial or single exercise of its options, powers or rights shall constitute a waiver thereof or of any other option, power or right, and no waiver on the part of the Holder of any of its options, powers or rights shall constitute a waiver of any other option, power or right. Maker hereby waives presentment of payment, protest, and all notices or demands in connection with the delivery, acceptance, performance, default or endorsement of this Note. Acceptance by the Holder of less than the full amount due and payable hereunder shall in no way limit the right of the Holder to require full payment of all sums due and payable hereunder in accordance with the terms hereof.

9. REDEMPTION, PRE-PAYMENT. This Promissory Note is not redeemable prior to the Maturity Date. The Company may not pre-pay the Promissory Note without the prior written consent of the Holder.

10. VOTING RIGHTS. The Holder shall have no voting rights as the holder of this Promissory Note, except as required by law.

11. SECURITY. The obligation of the Company under this Promissory Note are not secured. The Holder shall have rights in this respect pari passu with the Company's senior most unsecured debt issued after the Issuance Date.

12. AMENDING THE TERMS OF THIS PROMISSORY NOTE. The prior written consent of the Holder shall be required for any change, modification or amendment to this Promissory Note. No consideration shall be offered or paid to the Holder to amend or consent to a waiver or modification of any provision of this Promissory Note unless the same consideration is also offered to all of the holders of the Promissory Notes. The Holder shall be entitled, at its option, to the benefit of any amendment to any of the Promissory Notes.

13. TRANSFER. Subject to compliance with applicable securities laws, this Promissory Note and any shares of New Stock issued upon conversion of this Promissory Note may be offered, sold, assigned or transferred by the Holder without the consent of the Company.

14. REISSUANCE OF THIS PROMISSORY NOTE.

(a) Transfer. If this Promissory Note is to be transferred, the Holder shall surrender this Promissory Note to the Company, whereupon the Company will forthwith issue and deliver upon the order of the Holder a new Promissory Note (in accordance herewith), registered as the Holder may request, representing the outstanding Principal being transferred by the Holder and, if less than the entire outstanding Principal is being transferred, a new Promissory Note (in accordance herewith) to the Holder representing the outstanding Principal not being transferred. The Holder and any assignee, by acceptance of this Promissory Note, acknowledge and agree that, by reason of the provisions herewith following conversion or redemption of any portion of this Promissory Note, the outstanding Principal represented by this Promissory Note may be less than the Principal stated on the face of this Promissory Note.

(b) Lost, Stolen or Mutilated Promissory Note. Upon receipt by the Company of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Promissory Note (as to which a written certification and the indemnification contemplated below shall suffice as such evidence), and, in the case of loss, theft or destruction, of any indemnification undertaking by the Holder to the Company in customary and reasonable form and, in the case of mutilation, upon surrender and cancellation of this Promissory Note, the Company shall execute and deliver to the Holder a new Promissory Note (in accordance with Section 14(c)) representing the outstanding Principal.

(c) Issuance of New Promissory Note. Whenever the Company is required to issue a new Promissory Note pursuant to the terms of this Promissory Note, such new Promissory Note (i) shall be of like tenor with this Promissory Note, (ii) shall represent, as indicated on the face of such new Promissory Note, the Principal remaining outstanding (or in the case of a new Promissory Note being issued pursuant to Section 14(a), the Principal designated by the Holder which, when added to the principal represented by the other new Promissory Note issued in connection with such issuance, does not exceed the Principal remaining outstanding under this Promissory Note immediately prior to such issuance of new Promissory Note), (iii) shall have an issuance date, as indicated on the face of such new Promissory Note, which is the same as the Issuance Date of this Promissory Note, (iv) shall have the same rights and conditions as this Promissory Note, and (v) shall represent accrued and unpaid Interest and late charges on the Principal and Interest of this Promissory Note, from the Issuance Date.

15. CUMULATIVE RIGHTS AND REMEDIES; USURY. The rights and remedies of the Holder expressed herein are cumulative and not exclusive of any rights and remedies otherwise available under this Promissory Note, or applicable law (including at equity). The election of the Holder to avail itself of any one or more remedies shall not be a bar to any other available remedies, which Maker agrees the Holder may take from time to time. If it shall be found that any Interest due hereunder shall violate applicable laws governing usury, the applicable Interest Rate due hereunder shall be reduced to the maximum permitted rate of interest under such laws.

16. GOVERNING LAW. All questions concerning the construction, validity, enforcement and interpretation of this Promissory Note shall be governed by and construed and enforced in accordance with the internal laws of the State of Florida, without regard to the principles of conflicts of law thereof. Each of the Maker and the Holder agree that all legal proceedings concerning the interpretations, enforcement and defense of this Promissory Note shall be commenced in the state and federal courts sitting in Palm Beach County Florida (the **“Florida Courts”** ). Each of the Maker and the Holder hereby irrevocably submit to the exclusive jurisdiction of the Florida Courts for the adjudication of any dispute hereunder (including with respect to the enforcement of this Promissory Note), and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is improper. Each of Maker and the Holder hereby irrevocably waive personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to the other at the address in effect for notices to it under this Promissory Note and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be

deemed to limit in any way any right to serve process in any manner permitted by law. Each of Maker and the Holder hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Promissory Note or the transactions contemplated hereby.

17. REQUIRED NOTICE TO THE HOLDER. The Holder is to be notified by Maker, within three (3) Business Days, in accordance with the notice provisions in the Subscription Agreement, of the existence or occurrence, of any Event of Default.

18. PAYMENT OF COLLECTION, ENFORCEMENT AND OTHER COSTS. If (a) this Promissory Note is placed in the hands of an attorney for collection or enforcement or is collected or enforced through any legal proceeding or the Holder otherwise takes action to collect amounts due under this Promissory Note or to enforce the provisions of this Promissory Note, or (b) there occurs any bankruptcy, reorganization, receivership of the Company or other proceedings affecting Company creditors' rights and involving a claim under this Promissory Note, then the Company shall pay the costs incurred by the Holder for such collection, enforcement or action or in connection with such bankruptcy, reorganization, receivership or other proceeding, including, without limitation, attorneys' fees and disbursements.

19. CONSTRUCTION; HEADINGS. This Promissory Note shall be deemed to be jointly drafted by the Company and the Holder and shall not be construed against any Person as the drafter hereof. The headings of this Promissory Note are for convenience of reference and shall not form part of, or affect the interpretation of, this Promissory Note. Terms used in this Promissory Note but defined in the other Transaction Documents shall have the meanings ascribed to such terms on the Issuance Date in such other Transaction Documents unless otherwise consented to in writing by the Holder.

20. NOTICES. Any and all notices or other communications or deliveries to be provided by the Holder hereunder, including, without limitation, any Notice of Conversion, shall be in writing and delivered, by electronic mail, or sent by a nationally recognized overnight courier service, addressed to the Company, at the address set forth on the signature page, or such other address as the Company may specify for such purposes by notice to the Holder delivered in accordance with this Section 20. Any and all notices or other communications or deliveries to be provided by the Company hereunder shall be in writing and delivered, by email, or sent by a nationally recognized overnight courier service addressed to each Holder at the facsimile number or address of the Holder appearing on the books of the Company, or if no such facsimile number or address appears on the books of the Company, at the principal place of business of such Holder, as set forth in the Subscription Agreement. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via email at the address set forth on the signature pages attached hereto at or prior to 5:30 p.m. (New York, New York time) on any date, (ii) the next Business Day after the date of transmission, if such notice or communication is delivered via email at the address set forth on the signature pages attached hereto on a day that is not a Business Day or later than 5:30 p.m. (New York, New York time) on any Business Day, (iii) the second Business Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service or (iv) upon actual receipt by the party to whom such notice is required to be given.

## **Q2Power Closes Initial Tranche of \$1,500,000 Bridge Financing To Provide Capital for Growth in the Compost and Soil Sector**

Palm Beach, FL; April 4, 2017 - Q2Power Technologies Inc. (OTC: QPWR) closed on March 31, 2017, the initial \$1,000,000 in its Convertible Promissory Note “Bridge” offering (the “Offering”). The total size of the Offering is \$1,500,000, with an additional \$500,000 over-allotment option at the Company’s discretion.

The Convertible Promissory Notes (the “Notes”) convert at a 50% discount to the post-funding valuation of the Company at the closing of its next offering in the minimum amount of \$5,000,000 (the “Equity Offering”). The conversion valuation has a ceiling of \$12,000,000, and a “floor” company value of \$6,000,000 in the event there is no Equity Offering before the Notes are able to be converted.

The Notes convert into common stock, or preferred stock if received by investors in the Equity Offering, commencing on the soonest of the Equity Offering closing or December 31, 2017, at the discretion of the holder. Maturity is 36 months from issuance with 15% annual interest which will be capitalized each year into the principal of the Notes and paid in kind. There are no warrants issued in connection with the Offering.

Funds from the Offering will be used to secure acquisitions of compost and soil companies with closings expected to occur concurrently with the closing of the Equity Offering, and up to 12 months of operating capital. A limited portion of the funds will also be used to eliminate liabilities on the Company’s balance sheet.

As provided in the Offering as of the initial closing date, the Company settled or restructured approximately \$1,000,000 in balance sheet liabilities. Included in the debt restructuring, the Company issued approximately 1.6 million shares of restricted common stock to eliminate \$240,000 in payables; renegotiated its pre-existing convertible notes to extend the maturity date to July 31, 2017, set the conversion price at \$0.15 (not counted in the new shares issued), and waive any defaults; and amended its existing term loan to extend the maturity date to December 31, 2017, and waive all defaults.

The Offering was led by two accredited investors, and joined by 19 additional accredited investors which included the Company’s Directors. Management conducted the Offering and no broker fees were paid in connection with the initial closing.

Securities issued in the Offering and in connection with the liability settlements have not been nor will be registered under the Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.
