iTeknik Holding Corporation was formed to acquire and/or develop and launch new technology and products initially in the global communications market. With major changes in the telecommunications market and the onslaught of major competition into that space, margins have declined and the Company will now reposition itself to focus on other opportunities. Global with those of the Company. The Company maintains the stock it retains in Send Global as an impaired asset on its balance sheet.

The Company formed a new Wyoming subsidiary on September 16, 2016, Big Rhino Corporation, which will function as the Company's first operating subsidiary. In addition to Big Rhino the company intends to acquire one or more operating companies in the marketing, advertising and digital industries.
