6) Our Business, Products and Services:

iTeknik Holding Corporation was formed to acquire and/or develop and launch new technology and products initially in the global communications market. With major changes in the telecommunications market and the onslaught of major competition into that space, margins declined and the Company repositioned itself to focus on other industries. Management believes that there are available to the Company significant opportunities to pursue one or more “roll up” strategies in industries such as Advertising, Public Relations, Digital Marketing Software Development and Data management, and other high tech companies.

Previously the Company had focused most of its efforts through its former Send Global subsidiary. However, during the quarter ended September 30, 2016 the Company sold 30 of its shares in Send Global and the Company now owns a minority interest of 48% of Send Global. Consequently, the Company no longer reports the results of the operations of Send Global with those of the Company. The Company maintains the stock it retains in Send Global as an impaired asset on its balance sheet.

The Company formed a new Wyoming subsidiary on September 16, 2016, Big Rhino Corporation. On December 30, 2016 the Company acquired the assets formerly known as Arrowhead Advertising which were placed into Big Rhino Corporation and the Big Rhino began operations on January 2, 2017 as a fully integrated advertising, media and marketing agency in Peoria, Arizona.

The Company acquired The Blender Company on August 24, 2017.

Formation: On January 12, 2007 the Company was incorporated in Nevada and on August 9, 2010 the Company re-domiciled to Wyoming.

SIC code is: 6719 (note this has been changed from 4813)
